SUGAR AND SPICE by Bill Smiley

THEY EAT ANYTHING

The never raised pigs, but the dining room. there can't be too much to it, according to what I've seen in the past week.

up after them. And there's no in Holland, a slaughtering of trouble at all in preparing their 10,000 tulips. I've tried for 20

One of the great advantages tion. I know what it is to loge. is that there's no garbage. Apparently the only thing pigs!

about my son Hugh and his they put it? friend Alex, but it's the solemn -truth. It's not meant in a dis-

When I was their age. I was a pretty fair trencherman. On one occasion, as I recall, I set a now family record for corn on the cob. I ate 13 cobs. On another, I ate 12 baked apples.

- But these were individual feats. They pale alongside the

They start off slowly 'Just a cup of tea, Mrs. Smiley If you like. 'Oh well, maybe I'll have a fresh peach, if they're turning bad and you want to get rid of them."

Half a basket of peaches later they might succumb to few cobs of worn (it's noon by now, because they never get up until it.) Before the corn They eat from six to eight. they've had a can or two of cold And when they get in, at three beens and a half-loaf of toast a.m., they have to have a little "just to be sociable."

look up with their little, beady of soup to wash it down. eyes glittering and absolutely refuse dessert, 'Unless you have Perhaps, it's explainable when some old cake and ice cream they tell you that they often that is maybe going bad.' There no for days, weeks living on always seems to be some old bologna sandwiches and coffee, cake or pie that's on its last chips and milk, hot dogs and leg, and some ice cream that's pop. Sometimes nothing. going bad unless you eat it the

day it's bought. chips and a couple of beers was touching my chin. But by dinner time, their snouts are prying the lids off pots It's not that I don't like to and their little, feverish paws see young people eat heartily are stirring the gravy and the It's just that if I want to raise saliva is running so fast you pigs I'd like to have some

It's not the food that I mind I've bought moose pastures in Northern Ontario that were .. You merely give them all guaranteed gold mines. I have they can est, and then clean dropped \$5,000 bombs in fields years to make my wife base her arguments on reason, not emo-

No. I don't expect any rewon't eat is returnable bottles. turn, It's just pure fescination. Where in the name of the Holy This is a fine way to talk Old Jumpin' Jehosophat do

They're not big, fat, fellas, 'paraging way, 'I'm not full of They're young and slim, I give disparagement, but of despair. shem a plate of steak or. turkey and spuds and vegetables and solad that would make a lum-

> And I start to eat my own. And I look up and there they are, twiddling their hoofs, plates licked clean eyes fixed on the main platter.

That's not the worst thing. If I eat too much, maybe at Christmas or New Year, I have enough sense to subside in a corner and belch amiably as I watch television.

Not these piggles. One hour after a meal that would put the fat lady in the circus on her back for a week, they can be seen peering into the refrigers-

mite-cap; half a pound of cheese and a pound of bacon and a When the corn is gone, they half-load of bread and two cans

Ever try that nothing? I have ... I've gone for three days They manage to get through with nothing and then eaten so the afternoon with the odd much cabbage soup it was comhamburger and a few bags of ing out my ears and my belly

have to wear rubber boots in pork.
