Saturday is Last Day for Kid Hockey Registration

by Bud James

Saturday Morning Hockey will hold their last registration on Saturday, September 28 at the Legion. Any boy who wants to play Saturday Morning Hockey must register and have a birth certificate and \$1.00 for insurance.

Managers and coaches who had teams last season contact conveners if they are going to look after the same team. Anyone interested in looking after a team or helping with one contact the commissioner or member of the executive.

Players eligible to play in the Senior League can register at the Legion on September 28 and there are teams who will need coaches so if there are any men interested contact the commissioner.

On Saturday September 28 the Saturday Morning Hockey will be holding a dance at the Legion. This will be a good night to start the season off.

The Jr. 'A' will have a new commissioner this season Jim Glass who is no stranger at the arena as he has helped coach a team for a few years. The NHL will also be under a new commissioner this season, Bill Richmond who has had a number of years experience in minor sports and should be an interesting season. The American League will have their same jolly on the spot Roy Norton, Sr. for the season. The Sr. League will be handled by Herb Hancock who has taken a great interest in the Senior League and is looking forward to a good season.

Penalty Kick Earns GDHS Soccer Draw

Georgetown and John F. Ross of Guelph fared the same in soccer as in football last week they played to a tie. Gord Barclay's penalty shot with three minutes remaining spoiled the Guelph bid for a win and created a 2-all draw.

Georgetown drew first blood at the 10 minute mark when Rob Miles finally cashed in after some sustained GDHS pressure. JFR got back into the game when a high ball shot slipped through the hands of goalie Bruce Cartwright. It was his only error in an excellent goal-tending job.

Ross took the lead on a well executed move. The playoff pass

went to the left winger who steered the ball over the goal line. which brought about the penalty shot.
Bruce Cartwright, Mike Clark, Dave Foster and Gord Barclay were standouts for the locals.

1969 BUICK

Buick Wildcat for 1969 — with a longer hood and shortened rear deck — reaches a new high in performance and styling. The body is all new with a wheelbase shortened from 126 to 123 inches. A refined sweepline enhances the side appearance of the Wildcat, which also features a new grille and dual air intakes in the front bumper. Instant Wildcat identification is provided by the six vertical chevrons behind the front wheel opening. Side window vents have been eliminated on all models in Buick's upper series car.

SENIOR LEAGUE

The first game in the best 2 out of 3 semi-finals got off to a late start and had an early finish due to darkness.

In the Young's Pharmacy — State Farm Insurance match, Young's acquired a firm, early lead in the game, then had batters swinging out to get in the required number of innings before dark.

Leone's Hair Styles and Sun-nucks Real Estate had their game ruled out as only 2 innings were completed before dark. This game will be replayed this Thursday.

JUNIOR LEAGUE

Because of short series and rained out games the juniors are in various stages of their play-offs.

Georgetown Upholstery — Kin-the Krusters

These teams were an even match for each other. The 1st game went to Upholstery 3-2 and the 2nd game to the Krusters 15-9. The 3rd and what was supposed to be the decisive game ended at darkness in a 6-1 tie. In the 4th game the teams stayed within a run of each other until the 5th when the Upholster's broke loose to defeat the K.K.'s. The Upholstery team plays off against Superior Foods.

JUNIOR SERIES "B"

Beaver Lumber, who ousted their opponents early in the 1st round rested on their laurels, while the 'B' series was being played.

The Murray Motors and Cycle & Sports duel proved to be short lived for the Motormen. The 1st game went to the Cyclists by 12-5. The second game was a squeaker with the Cyclists, coached by Grant Donahue again winning 13-12.

TRACTOR CLUB ACHIEVEMENT DAY AT FALL FAIR

The Halton 4-H tractor Club will hold their Achievement Day at Georgetown Fair on October 5th.

The event will take place between 10 a.m. and 12:30 p.m. near the Judge's stand.

This should be an interesting display of tractor driving, safety features and care of equipment, and will no doubt attract many observers.

The Agricultural Society will also sponsor the 4-H Sheep and Corn Clubs, with the Junior Farmers and Farmerettes showing their best in corn and in young lambs.

with this series while the above match is being decided. The winner of the Upholstery-Superior match will play off for the Junior Championship against the winner of the Beaver Lumber-Cycle & Sports series. These will all continue to be best 2 games of 3 series.
