**In Memoriam**

**McGUIGAN** — In loving memory of our dear brother Arthur, who died as a result of an accident September 22, 1957.

We who loved you, sadly miss you,  
As it dawns another year,  
In our lonely hours of thinking,  
Thoughts of you are ever near.

— Sadly missed and always remembered by sisters, Marg, Betty and brother Bob.

**McGUIGAN** — In loving memory of my dear son Arthur, who died as a result of an accident, September 22, 1957.

Eleven sad and lonely years have passed  
Since our great sorrow fell,  
The shock that we received  
That day.

No one can ever tell,  
God gave us strength and courage  
to bear the blow  
But what it meant to lose you  
No one will ever know.

It's lonely here without you  
We miss you more each day,  
For life is not the same to us  
Since you were called away.

You had no one to last farewell  
Nor even said goodbye,  
You were gone before we realized  
And only God knows why.

— Sadly missed and always remembered by Mum.

**ROBINSON** — In loving memory of a dear wife, mother, and grandmother, Bell Robinson, who passed away two years ago, September 29th, 1966.

This world may change from year to year,  
And friends from day to day;  
But never shall the one we loved,  
From memory pass away.

— Lovingly remembered by husband and family.

**SCHOFIELD** — In loving memory of a dear father and grandfather who passed away September 30th, 1957.

In quiet thoughts we live again  
The years that used to be,  
So rich in love and laughter  
And so dear to memory.

— Remembered always by daughter Jean, son-in-law Kenneth and grandchildren Virginia and Jim.

**SCHOFIELD** — In loving memory of a dear husband Ellis Schofield, who passed away September 30th, 1957.

We miss you so much in many ways,  
We miss the things you used to say,  
And when old times we do recall  
It's then we miss you most of all.

— Lovingly remembered by wife Frances.

**Don't Get Worried It's  
Only Pipeline Testing**

But the crew is only testing and repairing the 10 year old pipeline that stretches 100 miles from Streetsville to Doon. A workman said they found a The job of blowing off some few leaks but nothing serious.
