

**ATOMS EXPLODE FOR TITLE**

REYNOLDS' MASONRY ATOMS gave Glen Williams the Tri-County Atom Softball League title and they went on to prove a point by beating a Guelph team in a city slickers vs. country cousins showdown recent in the Glen park. In the front row, from left; are R. Donaldson, D. Kemshead, R. Cuthbert, D. Stapleton, S. Haines, J. Frank, K. Barber, Back row: B. Ford, J. Lawson, T. Haines, B. Klassen, T. Fendley, E. Spence, A. Keir, D. DeForest, B. Van Ryan, S. DeForest, R. Service. Standing behind is coach Paul Barber. Manager Don Lawson is missing from the picture.

**English Niece Here for Couples' Anniversary**

Miss Sylvia Payne has returned to her home in Cambridge, England after spending three weeks with her uncle and aunt, Mr. and Mrs. Bertie Weston, 7 McNabb Street and cousins.

While here, she helped celebrate the 60th wedding anniversary of her uncle and aunt at a dinner party given in their honour by their family at the Plainman, Dundas. Sixteen members of their family attended the happy occasion.

After dinner all returned to Milton to the home of their son Roy and his wife where they enjoyed seeing slides of their family in England and their homeland, which Sylvia had brought with her. The evening came to a close with the taking of pictures and serving of wedding cake and champagne. Sylvia then presented them with a beautiful floral arrangement from the relatives in England.

Mr. and Mrs. Weston were married on Oct. 12, 1908, in the Green Village church by the Rev. Thomas H. Wood, curate of St. Mark's Cathedral, Peterborough, England.

**Social & Personal**

Mr. and Mrs. Robert Letts and family combined business with pleasure over the holiday weekend. They travelled to Virginia Beach, Virginia where they enjoyed temperatures in the eighties.

**Junior A Line-Up**

(Continued from Page 8)

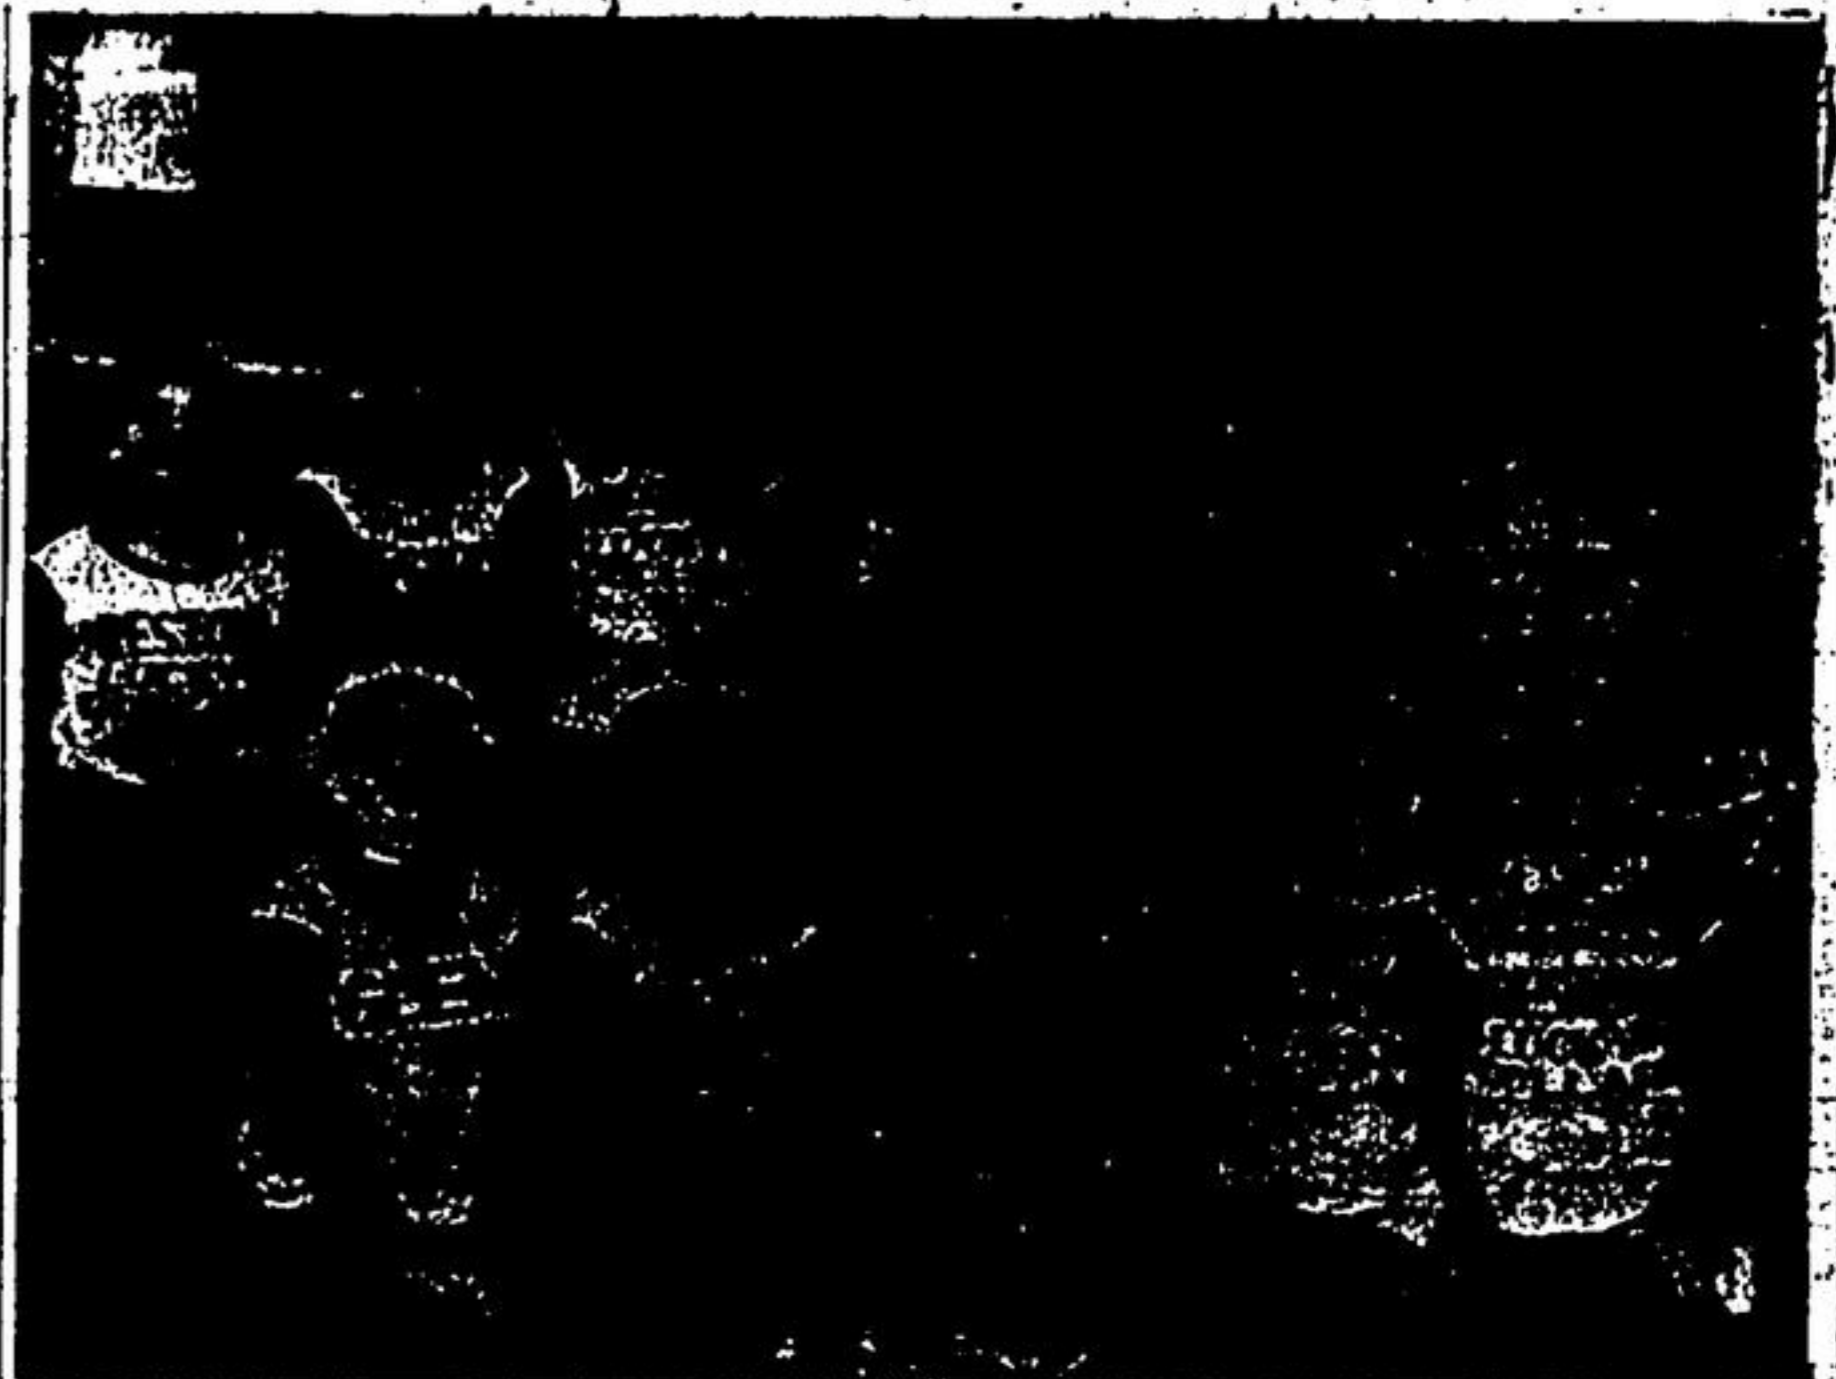

Eves, Scott McLaughlin, Robert Mossop, Fred Peters, David Henderson, Mark Harris, Randy White, Jeff Haines, Kent Kennedy, Kenny Flynn, Joseph St. Laurent, Rodney White, Greg Martin, David Bell, Anthony Hemming.

**LUCKY DOLLAR SQUIRTS SKILLFUL TOO**

IT WAS MORE GOOD PLAYING than good luck that enabled the Preston's Lucky Dollar Squirts to rise to the height they did during their successful 1968 season. Coached by John Haines, Don Hancock and Bob Heaton the Glen team won the Halton Rural Softball Association Squirt championship after finishing second in regular schedule play. In the front row are, from left: C. Andrews, K. Fendley, C. Colpitts, R. Macintyre, R. Hills, Back row, K. Hills, R. Hills, J. Keir, D. Thompson, J. Crawford, coach J. Haines and P. Campbell.

**Initiate Sixteen Vets as New Members of Legion**

by Ralph Hews

With seven and a half million Canadians wearing poppies on poppy day Bruce Collins and his poppy committee are determined that every citizen in Georgetown will have an opportunity to wear one this year. Bruce is planning an all embracing campaign which will include all the regular volunteers plus it is hoped the newly formed Air Cadet Squadron. Chairman Collins to use his own phraseology is hoping to have a "huddle with Air Cadet Adjutant Lt. Col Cousins, where plans will be made, how and where to use the Cadets.

The District "B" fall convention which was held at Port Credit on October 5th and 6th was without a doubt, one of the best organized "B" conventions we have been to. Convention Chairman, Charles Heath, has reason to be proud, for it was due to his efforts that the two days were so successful.

Branch 120 was well represented with Pipe Band, Branch Colour Party, and four delegates, Past President Dave Bowman, Bob MacKenzie, Jim Murphy, and yours truly.

It goes without saying, Branch 120, Pipe Band, was the best and although Brantford were judged to be the winners in the Colour Party March Pass we could only see Sgt. at Arms Harry Bottoms and the excellent Branch 120 Colour Party.

Sixteen new members were initiated into the Branch on Friday, they were: Joaz Carter, J. Runham, D. Donnelly, L. Fitzsimmonds, A. McArthur, G. Brayley, J. Mercer, B. Dermont G.A. Greig, A. Rossignol, R. Irwin, W.J. Ashlee, A.R. MacDonald, Cousins, A. Smith, F. McKie. The initiation team were superb, and in consequence received an invitation to be on hand at Erin Branch, November 5th, for the initiation of that Branch's new members.

The dance which followed attracted members and their ladies, the auditorium was full to capacity, Ross Hillier and his group supplied the music, a delectable late meal was cooked and served by David Bowman and his kitchen specialists.

Comrade Charles Taylor the Branch Boer War Veteran received a standing ovation when he was introduced to the members and ladies. Mr. Taylor who is 88 years young was born in Scotland in 1881 joined the Scots Greys when he was 15 years, spent two years in India, then to South Africa in 1899 where he served as a Scout until the end of the war in 1901. He was discharged from the army in 1902, emigrated to Canada in 1903, joined Toronto Police force in 1907, retired in 1938.

Saturday President Henry Hale, along with Lloyd Boyd, travelled to Cooksville with 16 first world war vets, where a zone anniversary dinner for first war vets was being held. It was a good get together for these senior members, and it is hoped that this will continue as a regular Zone function each year.

Ron Lincoln must have been sitting at the right table on Saturday night when he won the big one at the dance, door prizes went to G. Brayley and

We understand that Pipe Major Merv Allan has some ambitious civic minded ideas for the winter months, he hopes to take entertainment to the many shut-ins. He and the Branch Pipe Band along with a vocalist will visit the Sick Children's Hospital then later on to Halton Centennial Manor at Mil-

BOER WAR VET CHARLES TAYLOR with Branch 120 president Henry Hale.

ton, he intends to have a letter sent to Hospitals and other similar institutes offering the services of the band.

To those of you who feel you have the eye of Davy Crockett, here is a chance for you to prove it, the annual rifle shoot between Branch 120 and "C" Company of the Lorne Scots, will be held on Saturday, Oct. 26th at the range in the Brampton armories at 2 p.m. those members who wish to shoot should put their names on the list on the Sports Board at the Branch. The top six scores will represent the Branch in the shoot for the Henry Shepherd trophy.

**ASHGROVE**  
An appropriate Thanksgiving Service was held in Ashgrove Church for the Hillcrest congregation. The Young Folk had decorated with products from the fields and gardens. During the service David George, son of Mr. and Mrs. George Bird was baptised.

**BELL LINES**  
by Arnold Blachford  
your telephone manager

Bell Canada has always urged employees to use all possible safety precautions when working and in recent years has stressed safe driving habits. One of the safety groups in our Company recently circulated a report of an experiment made by a tire company and a precision instrument maker. The astonishing results show that too fast, tense, erratic driving is not only dangerous but saves little time.

Two identical cars were fitted with instruments which registered every driving detail during a 1,000 mile trip. The devices showed how often the driver braked, and how hard; how many cars he passed and how many overtook him, and the total driving time. One driver was told to do what we all do when we are in a hurry — overtake when it's safe and take bends at the maximum speed the car and our own ability will allow. The second driver made the trip in a relaxed style, avoiding any risk and moving as the traffic flow permitted.

Results show that after 1,000 miles the speedster finished only 31 minutes ahead of the easy-does-it driver. The speedster had almost 2 1/2 times as many swerves, stomps on the accelerator and 'here I go I hope I make it' bursts on the wrong side of the road. In the test the faster driver used about 10 gallons more gas than his competitor. The added wear and tear on the hard driver's brake linings, suspension and engine was obvious.

During the drive the fast car had four emergency brakings and 1,335 other brakings as compared to no emergency brakings and 632 other brakings for the slow car. The fast car overtook 2,004 cars as compared to 645 by the slow car and was overtaken by 13 autos while the slow car was passed by 142.

It looks like we'd be doing ourselves and our cars a good turn by slowing down — especially when only a few minutes are lost in the process.

What's a half hour over 1,000 miles?  
When the country's largest computer installation was delivered to Bell Canada headquarters in Montreal last month, the most crucial part of the move-in was lifting a 5,400 pound memory storage unit seven floors up the outside of our building. If tipped more than 10 degrees, the unit would be damaged. We're happy to report that high-spirited proof was given that it arrived safely. A full champagne glass was taped to the top of the huge crate before hoisting began. Crate and glass arrived untoppled. When in operation the computer will do the mammoth job of handling details of Bell Canada's total investment, operating costs and manpower resources. It will be capable of performing 1,100,000 functions per second and will be linked by TWX, Dataspacer and other Company facilities to Bell Canada offices throughout Ontario and Quebec.
