HILDA'S COLUMN

"Getting the most for my money" is what many shoppers are looking for these days. And Loblaw is trying to help you do just that. Spending money is always painful (especially for those of you with larger than average sized families), but Loblaw hopes that by lowering prices and at the same time maintaining the high quality of products and service, you will get the most out of your food dollar.

Hilda Wilson

P.S. a big "thank you" to the people of Cornwall who helped open the newest link in the Loblaw chain last week.
