Toyota Corolla

A great way to go
With 60 h.p. the Corolla really goes. And goes for an unbelievably low price.
The tough 60 h.p. engine cruises easily at 75 mph. And that puts Corolla well ahead of any car in its class.
But that's not all.
The Corolla goes with all the extras. A big 3-speed heater, fully adjustable front seats, alternator windshield washers, double-barrelled carburetor, padded dash and visors, and 4-speed synchromesh transmission. You also get 40 miles to the gallon and a car that never needs greasing.
ALL THAT GOES FOR \$1,798.00
