**Grade 8 Class At Black Creek**

by Christopher Ball  
Grade 8 Park Public School  
To further our studies in a recent history project, our Grade 8 class of Park School visited 'Black Creek Pioneer Village.'  
Our class piled into the bus and after a counting of heads, the bus rolled out of the parking lot for a step back in time. When we arrived, we were surrounded by the atmosphere of a typical pioneer village. Three of the houses at the village are originals, built by the "Stong" family. On returning to school, I am sure our class was better informed of the ways of the pioneers and how progress has bettered the ways of modern day life.

**\$2,000 Damage in Three Car Smash**

One driver suffered a bump on his head and another a possible whiplash in a three car collision on Guelph St. opposite Brucewood Friday night.

Police said almost \$2,000 property damage resulted when a westbound car driven by Keith Britton of Huron Park swerved to the inside lane to avoid hitting a truck with no tail lights and struck a stopped car bouncing it into a second stopped vehicle.

Joseph Lefebvre of Brampton suffered a possible whiplash, and the other driver, Mrs. Roberta Mann of Georgetown was unhurt.

The collision happened at 7:10 and was investigated by Constable Henry Vandersluis.
