This Ratepayer Wants Lower Taxes

31 Byron Street, Georgetown, Ontario

Dear Mr. Editor In the election December 2, for the Georgetown council we will need:

No fence sitters: those who will side with both sides in any argument. We have one too many now.

No councillors with an axe to grind on behalf of the industry they work for. We had two samples of this a few years ago which has cost the town over \$2,000 a month ever since for reduced water and sewage rates to four industries involved.

No one on council who maintains they will not want to be on council unless they can see a 4 or 5 mill increase in the tax rate. We want lower taxes.

No representatives on council who will sell us down the river with any developer that does not produce a 40-60 industrial ratio as required to keep the town in good financial position. And this with no expense to present residents.

If this town is to finish next year with a surplus, expenditures must decrease rather than increase. Let us make sure and vote a council in that will take as their motto: Concern for the taxpayer will be my first concern.

Yours truly, Ed A. Peters

96th Birthday For Mr. Howard Price

Mr. Howard Price celebrated his 96th birthday on Saturday at the Kelly Nursing Home. Many of his friends called to congratulate him.

The UCW met on Tuesday, November 19th. The afternoon unit met at the home of Mrs. Richard Shortill, Sr. There were 8 members and 1 visitor present. Mrs. Healey presided and after the opening remarks called on Mrs. Marshall for the devotions. A letter of thanks was read from Mr. Ferguson, head of the immigration department in Nova Scotia thanking the organization for the bales which arrived safely. Various reports were given which showed the year's work had been gratifying. Mrs. Marshall reported for the nominating committee. She said due to various reasons the membership had gone down and they were unable to get offices filled. Some discussion took place and it was decided, with regret that the afternoon unit would have to be disbanded. Miss Hills took the topic which was on China. At the close of the meeting Mrs. Madill, and Mrs. Marshall, assisted by the hostess, served a dainty lunch.

The evening unit met in the church basement. Mrs. F. J. Shortill had the topic, Mrs. Floyd Shortill the devotional. Mrs. Clarke and Mrs. Don Brown provided the lunch.

Winners at the euchre on Wednesday night were Ladies 1st, Mrs. Cora Snyder, 2nd Mrs. B. Davidson; men's 1st W. Sanders, 2nd Wayne Jackson.

Pleased to report Mr. Adams is recovering nicely from Surgery at the Georgetown Hospital. Mrs. Lawr is also much improved and able to get up for a while each day in her home.

Mr. S.G. Bennett, of "Scotsdale" won 5 special awards with his Shorthorn cattle at the

SRO Crowd, Happy Time For St. Andrew's Ball

The highlight of Legion activities last week was without a doubt the Legion Pipe Band's St. Andrew's Ball which took place on Saturday.

Thanks to the hard work and diligence of Merv Allen and members of the band, the hall was full to capacity with many would-be dancers unable to purchase tickets which in itself is evidence that a larger auditorium is very necessary in this fast growing town.

Ross Hillier and the Country Rhythm Boys were up to their usual standard of perfection. Hiring intermission the patron were entertained by the Sons of Scotland's highland dancing group plus several selections rendered by the Branch Pipe Band. The buffet supper which was served later in the evening was most enjoyable.

Guests from Branch 53 Woodstock were S. Sandeford and M. Minnard and their ladies. The two Woodstock members are members of that Legion's colour party. Members of the Pipe Band are most grateful to the merchants of town

General Meeting Thursday, Dec. 12th.

Eight teams will represent Branch 120 on Saturday at the Auxiliary Zone Dart competition. About 20 teams from out of town will invade the Branch and register before mid-day.

Car Club

Applications to join the Branch newly formed car club are beyond expectations. Within three days of accepting members, the quota is more than half full and interest is extremely keen.

The New Year's party tickets are on sale at the Branch. As in previous years, the sale of them will be restricted to members only until December 20th. After that date, any tickets not sold will be sold to non members.

Gord King has lots of Christmas Draw tickets on hand for those of you who wish to sell them.

Hope to see many new members out to the next General Meeting, Thursday, November 28 where the main topic should be the extension. The longer this is left pending, the higher the cost will rise and continue to rise.

How about joining the "Early Bird Club". All you have to do is pay next year's dues now and you are a member. Seems that there could be a few privileges for members of the "Early Bird Club."

Schools Set

We understand from District Commander Cappersault that the District Schools of instruction are set up and ready to go and if it were not for the coming holiday season, Branches would be attending them now. However, early January will see them in operation. The schools will be held in three areas. Zones 1, 2 and 3 will have a school, Zones 4 and 5 a school and Zones 6 and 7 will be together. This will lessen the travelling to all Branches in the district.

We were also informed of a District Poppy meeting in January.

Hope to see parents out to the Air Cadet Ball this Friday, November 29. The officers and sponsoring committee need your support and would also like to meet you.

Friday night dart shoot was the best ever. Every chair was taken and darts were being thrown at three boards instead of the usual two. Sorry we don't have a list of winners. Seems we have mislaid it somewhere.

Yes, I live in Georgetown, Of this I'm very proud; I sing out all its praises Right often, clear and loud. And if I'm re-elected As your Deputy Reeve, I'll help with all your problems And every single peave. Art Spotlight.
