

GREY CUP DRAW PRIZE GOES TO ANN MARCHMENT

The right team won the Grey Cup, and by the right score for Ann Marchment of 12 John St. West. She was the winner of the \$500 prize money in the Georgetown Lions Club annual

Grey Cup Draw. The winning ticket was sold by Don Wilmgrove. A Lions spokesman said Monday tickets were sold to buyers as far away as Toronto, Guelph, Burlington and Hamilton.

As a result of the draw the Lions' park project benefited to the tune of approximately \$1300. It is expected that the Lions light bulb sale now underway will earn the club an additional \$1200 which also has

been designated to assist in the building of the new park on Weber Drive. At press time only half the town has been canvassed with the balance scheduled to be contacted after the Christmas season.

ANN MARCHMENT'S GREY CUP TICKET was worth \$500

Old Rivals Meet Again—Raiders Score a Win

Seventeen Georgetown Raiders were too much for 10 Acton Tanners in Acton arena Friday night where the long-dormant hockey feud was rekindled in an OHA Intermediate 'B' League game won by Georgetown 7-2.

It was Georgetown's second win since finding new life in the intermediate hockey strata.

The clash was the first of the schedule for the age-old rivals and both clubs played their roles to the hilt to give the reunion speed and lots of action. There was even a large number of Georgetown boosters among the spectators.

Acton's usual strong partisan feelings were tempered by the fact that some of their favourites from past seasons were wearing Georgetown garb in this one. In fact, nine ex-Tanners including their former coach Jr. Beaumont were in Georgetown harness.

Raiders scored three first period goals, a single in the middle and three more in the final frame. Acton counted only in the first and third periods, though they had their share of chances. For them, frustration was a Raider netminder Fred Cowbrough who combined a lot of alertness with a little bit of luck to foil Tanners' best efforts.

Jack Gudgeon, who had a 4 point night, and Doug Richardson each scored two goals, while the rest came from Don Norton, Jim Blair, and Paul Robinson.

Expand to 10 Teams In American League

by Bud James

Saturday morning hockey will expand to 10 teams in the American league as managers and coaches took a vote at a special meeting Saturday, Nov. 30th. The new team will be called Columbus Jets and will be coached by Harold Eagles.

The team will not start until word has been received from the arena board and should be finalized to start Dec. 14. The new Junior A team - Ottawa playing their first game together came up with a good game against Marlies and the coaches were well pleased and figure after a few practices and games playing together they will be right in there at playoff time. In the other games in the Junior A the fans were treated to some good hockey as these young players give everything they have.

There are a few players not reporting to their coaches 15 minutes before game time.

In the NHL there are some coaches who insist on playing some of their players too much and the commissioner will be looking into these matters. There were a few good games in the NHL on Saturday and these teams are looking better each week.

On Tuesday, November 26th, in the Senior league Galt came up with a big upset as they defeated the league leaders - Woodstock, who have not lost a game this season.

In the other game Guelph and Oakville came up with a good game.

On Saturday, Nov. 30th, the Saturday morning hockey held their draw on the Stereo set, turkey and ham. The following are the winners: 1st: Peter Pew, 245 Guelph Street; second: Mrs. Marg Martin, 10 Churchill Crescent; 3rd: E. Gardhouse, 30 Delrex Blvd. Saturday morning hockey would like to thank those who bought tickets on this draw and helped to make it a success.

Flood-lit Baseball Games Set for Georgetown Park

Next spring and summer Georgetown will have a flood-lit park for the first time in its history. With many smaller communities around boasting flood-lit parks, it has been a tender spot with local sportsmen that Georgetown lagged behind.

At a cost of ten thousand dollars, the lights and poles have been purchased. The poles coming from British Columbia were

The midgets, junior and senior boys basketball teams are rapidly rounding into shape after a month of practice. All teams will play in the powerful Guelph league again this year. Due to the January examinations the Georgetown teams will start their schedule before the Christmas holidays.

Georgetown open their schedule Wednesday, Dec. 10th at Guelph Collegiate and then host John F. Ross, Thursday the 10th for an evening double header. This latter game is open to the public.

Recently the junior and senior teams have been engaged in an exhibition schedule with the Brampton and Streetsville schools. Thus far, the seniors have been impressive with wins over Central Peel, Bramalea and Streetsville. The juniors, playing teams with a year's age advantage, have lost close decisions to Central Peel and Streetsville. In their last game they showed very well, winning over Bramalea by a narrow 38-35 margin.

The teams travel to Brampton Centennial Monday then play at home Wednesday and Friday against Bramalea and Brampton Centennial respectively.

LEAGUE SCHEDULE
Wednesday December 18: 3 p.m. Georgetown at GCVI
Thursday, Dec. 19: 7 p.m. J.F. Ross at Georgetown

A total of one hundred and sixty bulbs will blaze from the poles. There will be six individual poles each supporting sixteen lights, and two double poles with thirty-two lights on each cross bar.

They are ready to be erected now, but will wait till a qualified contractor is available.
