

Ralph Barton Assumes Office As Retarded Association Head

The annual meeting of the North Halton Association for the Mentally Retarded was held at the Sunshine School, Hornby on Thursday, December 5, Vice president Ralph Barton, chaired the meeting, in the absence of William Ferguson, president. Reports on their year's activities were presented by each of the three ladies auxiliaries. Acton and Milton ladies auxiliary, presented the Association with cheques for \$500 each. Georgetown auxiliary had previously presented \$1,000 to the Association.

The Flowers of Hope chairman reported a total of \$5,300 had been realized from the campaign. He thanked the auxiliaries and everyone who had worked so hard to help in the campaign.

H. Isham, director of the workshop, gave a report on the progress made in this project. The advances made, in less than three years of operation, are encouraging. The Association thanked the Adult Services chairman, S. Dance, for his tremendous effort. With this project making such strides, the Association feels this coming year will see some action taken on the residential care project.

At this time, in the meeting, John Trotter, president of the Acton Lions Club, presented a heavy-duty vacuum cleaner to the workshop director.

Under the direction of Ray Banner, nomination chairman, an election of officers was held. Rev. R.P.E. Jeffares installed the following officers:

President, Ralph Barton, Georgetown; 1st vice president, F. V. Cannon, Milton; 2nd vice president, James Langsetyk, Milton; treasurer, Mrs. S. Dance, Milton; recording secretary, Mrs. W. Treahy, Georgetown; corresponding secretary, Mrs. Tom Nye, Milton. The following committee chairmen were also elected: Adult services, S. Dance, Milton; home care, Mrs. Laughlin, Acton; research, Mrs. G. Jeffares, Milton; residential care, Mrs. Laughlin, Acton; spiritual guidance, Rev. James Reese, Milton; membership, J. Lange, Milton; public relations, F. V. Cannon, Milton; bulletin, Mrs. H. Isham, Milton; recreation, Gordon Dawe, Acton; scrapbook, Mrs. S. Dance, Milton.

Cadet Arrests Wanted Man Ending Bush Hunt

A Georgetown police cadet, Brian Farrell, made an unarmed arrest of a man wanted by Guelph police, Monday, ending a search through the hush in the valley on the north side of Armstrong Avenue.

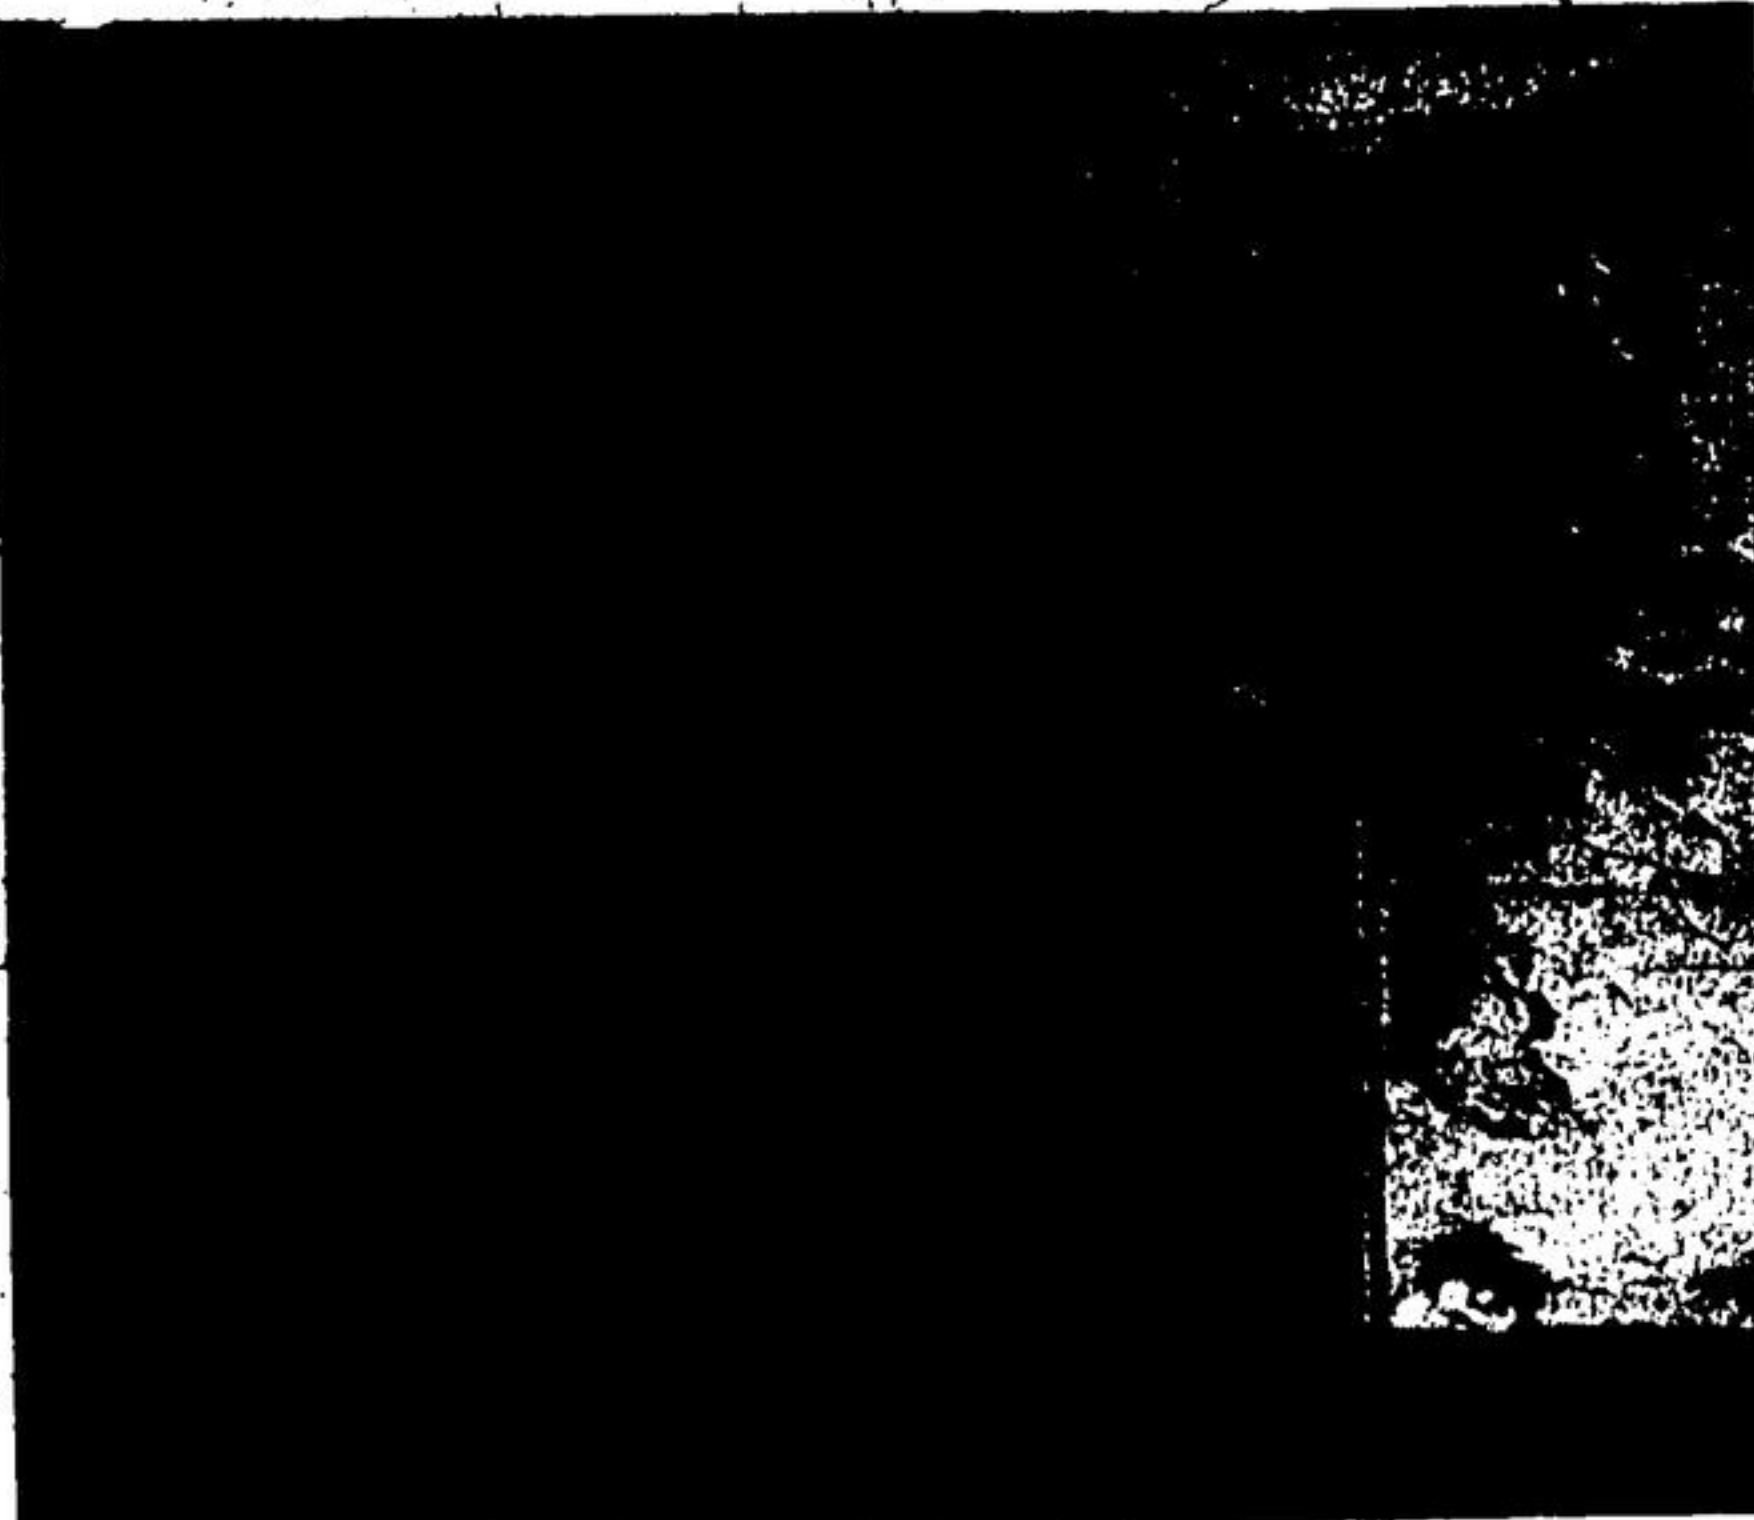

The man, who had been ordered picked up via a Telex message from Guelph, fled out the back door of the factory in Georgetown's industrial park at which he had been working when Georgetown officers John Barratt and Paul Robertson arrived at the plant to make the arrest.

Barratt and Robertson were joined by Sergeants Jason Field and Rod Donaldson, constables Arnold Vanciel, Jim Powell and Bill Cunningham, and cadet Farrell in combing the area for the man.

The hour long hunt ended when Farrell spotted the wanted man in the valley, outran him, and held him until Sgt.

Field arrived to assist in bringing him in. Two Guelph detectives picked him up at the Georgetown police station.

P.O. HAS COMPETITION

OOPS ... MARK AND CATHY BUTTREY just catch themselves before dropping Christmas cards in a corner mail box. Mark and Cathy are members of First Baptist Church junior choir which is going into competition with the Post Office Department this Christmas as deliverers of Christmas greeting cards. They have placed two boxes in the church vestibule, one for the cards and the other for money which the sender would have paid for postage. The plan is that members of the congregation will drop their "in town" cards in the box at church this coming Sunday to be delivered to the homes by the junior choir members. The project, which was started last year by the church's young people group, was undertaken to help buy goods for the juniors.

LET'S PLAY BRIDGE

BY BILL COATS
Any play that is available to declarer is also available to the defense. Usually one thinks of squeezes, cross ruffs, hold up plays etc. to be plays for making a contract. Occasionally the tables are turned and the defense uses them against declarer.
A hold up play, as used by declarer, is a play to break communications between defenders. When the defense uses it, it is to break communication between declarer and dummy.

This example came up in a rubber bridge game. Declarer made three no trump when the defense failed to break the communication link.
South dealt and North-South were vulnerable.

The bidding:
SOUTH WEST NORTH EAST
1H Pass 1S Pass
2NT Pass 3NT All Pass

Opening lead, 3 of diamonds. South valued his hand at 10 points after adding one point for his fifth heart. This made his hand too strong for a one no trump opening bid. When he rebid two no trump showing 10 to 21 points, North carried on to game since the partnership must have at least 26 points.

Perhaps West should still have led a heart but after hearing South bid the suit, West decided to try his other four card suit.

South won the opening lead with the queen of diamonds and took stock. He had seven tricks in high cards and needed only 18 to develop two more. Spades seemed to offer the best chance since his jack-eight of spades solidified the suit.

The spade jack is led and passed to East who should refuse the trick. The eight of spades comes next and it is also passed to East but this time East wins. Now declarer is finished.

A diamond return drives out declarer's ace. There is only one entry to dummy and that is

spade setting up the last spade in dummy. The heart king provides an entry to it.
