THE FIRST GIFTS
 The first Christmas gifts were those which the Wise men carried to Bethlehem to lay before the Christ Child in the manger. Their gifts given in adoration: were precious items of the day — gold, frankincense, and myrrh. The latter two were gums, resins used in medicines and perfumes. But, then as now, it is the spirit of the giving rather than the gift itself that makes it most appreciated.

No Date Yet For New Jail Tenders

The Department of Correctional services which wants to begin construction of the new Maplehurst Reformatory in Halton as soon as possible, has set no date for calling tenders for the project.

It was learned this week that the Department of Highways, former owner of the land has transferred 50 acres of the 90 acre site to the Department of Correctional Services. The Department of Public Works has optioned another 40 acres of the site for correctional services.

200 INMATES
 The department plans to build the reformatory wing to house 200 inmates now serving sentences in Mimico Reformatory. A training centre for another 200 inmates and a regional detention centre to replace existing century-old county jails in both Halton and Peel are to be constructed later.

Plans call for the Mimico institution to be transformed into enlarged clinics for sexual offenders, drug addicts and alcoholics, many of whom now are at Millbrook Reformatory. The Millbrook prison will be used as a regional detention centre for the Kawartha area.

The decision to build the Maplehurst correctional complex came after successive grand jury reports branded Halton County Jail as outmoded and inadequate to incarcerate prisoners.

Milton council recently voted to accept the department's latest offer of grants towards the cost of extending town services
