

ROUGH RIDE

BRENT McMULLEN gets a rough ride from a Bowmanville defender in front of the 'visitors' net during Sunday's clash. Close checking will likely prevail here Sunday when the Junior C Raiders host Milton Merchants.

Milkmen Deliver Second Loss to Industrial Leaders

R. & B Milk Centre handed Norval their second loss of the season Sunday in one of two Industrial Hockey League games at the Memorial Arena.

The teams are at opposite ends of the league ladder, Norval with eight wins and two defeats, and R & B with a two and eight record.

Hurren and Boyce each scored twice, and Kavanagh, Godard and Tyler once apiece for the winners. Norval goals came from Harrison, Monckton, each with a pair, Thompson and Brush.

In the other game Glen Williams solidified their hold on second place by thumping Dodge Brothers 6-1.

Sargent and Dunn each scored a pair of goals, and March and Ritchie fired the balance for the winners. The sole Dodge Brothers marker was scored by McFarlane unassisted.

This Sunday, R & B are pitted against Dodge Brothers, and Norval plays the Glen.

Forward — That's The Way Branch 120 Moves in '69

by Ralph Hawes
New Year greetings to all members of Branch 120 and readers of these notes. May you enjoy health, happiness and peace and may the good Lord grant you tolerance, kindness and love toward your fellow man in 1969.

1968 was without a doubt one of the best years Canadians have experienced. This also applies to Branch 120. 1968 was kind, much was accomplished and many projects finalized. Now the Branch membership will look for better and greater things for 1969.

How can this be achieved? By the vitalizing influence of the members of the Branch. By their interest, their ideas and assistance. There is only one way for the branch — forward. Needy veterans and their dependents are being provided for, the Branch is deeply involved in local community work and in sponsorship of worthy causes.

Branch 120 is without a doubt the strongest organization in Georgetown. To keep things this way is not enough. There is always something more to be done. Over the years, a mere handful of members has taken an active part in the Branch. Last year there was an increase in interest by the members. We hear wonderful things of other Branches and when we begin to delve into these stories, we find the Branch in question has scores of social members who are the backbone of the project in question.

Now with a membership of over 450 veterans and a potential of possibly over 100 eligible members in town, does the Branch need social members to help with the many projects undertaken?

Perhaps the answer can be found in 1969. You may know a veteran. Why not take an application form to him and have him become a member of the Legion. Could he be in need of a Branch 120 to assist the few who are giving so much of their time right now. To the line for '69, make it the best year ever.

AIM FOR 300
Members of the Branch turned out in full force for the distribution of Christmas hampers on Tuesday, December 24th and in consequence, all hampers were delivered before 3.30 p.m. President Hale and Yours Truly arrived too late to assist, however, our intentions were good.

The Branch New Year's party was better than ever. Next year with the extensions it is hoped well over three hundred people will be at the New Year's party. There were no notes last week. This really was no fault of ours. The period between Christmas and New Year's is quiet at the Branch, so there is no news.

However, the Ways and Means Committee was busy on Friday evening prior to New Year's. Joe was at his usual stand with the Dart Shoot and the winners were Tom Harlow, Bob Mackenzie, Bill Ritchie, Floss Tracey, Barb Reese, Bruce McQuarry, John Ferguson, Connie Ferguson, Floss Tracey and Bruce McQuarry.

The car club is in full swing with four hundred members. The first weekly draw was made on Friday evening during the Dart Shoot. The lucky five were Neil Patterson, Tom Gadd, Ned

McFarlane, Jim Paynter and Lorne Cross. There will be five names drawn again this Friday and every Friday until Friday, July 4th. If you are a member of the car club why not drop in. You may be lucky.

TUNEFUL TWINS
Last Saturday evening, Norm Ward and his Ways and Means Committee surpassed all previous efforts in their endeavour to provide first class entertainment. The tuneful twins, Ross and Bob with their friends formed one musical group and thrilled the packed hall with an evening of happy entertainment and dance music.

One of the happiest fellows there was Art Roberts who won the big one. The other happy one was Norm Ward who watched Sid passing out admission tickets in aid of Ways and Means.

For those of you who are interested, the Zone meeting this month will take place at Branch 120, Sunday, January 19.

This Saturday, the Branch Ladies have eight teams in the Zone Bowling. This will take place in Georgetown. It is expected some twenty teams from other Branches will be endeavouring to win the Zone Bowling and move into the Regional competition.

Bantam Tourney Will Bulge with 50 Teams

The Kinsmen Club of Georgetown held their first meeting of 1969 at Stan's Restaurant on January 6th with President Dean Taylor presiding. Art Elia acted as fines chairman and Frank Bryant was sergeant at arms. Al Murphy was joker for the evening and Clive Searle was mystery guest.

Past president Jack Findlay now residing in Burlington was a guest along with Jim Game and Don Barr. Tony Walker attended the meeting as a prospective member and the club greeted Allen Howells, a transfer member from Barrie club. Andy Michasiw received his club pin and was welcomed by all members.

Frank Bryant read a card of thanks from the Sunshine School for all the help they gave to make for a happy Christmas.

Reports were given on the Christmas tree project and the Kinsmen pens which all members and several retail outlets are selling.

Fred Harrison reported that the Bantam Hockey tournament is well under control and 50 teams will participate this year. This is an increase over the 42 of previous years and speaks well for the success of the tourney.

The evening closed with a showing of the film 'A Place to Stand' which was obtained for club showing by Hugh Powell.
