## Mayor Urges Public Support For Minor Hockey Week

Mayor Wheldon Emmerson is again calling upon all citizens to support Minor Hockey Week in Canada, which starts Saturday, January 25th.

In announcing his support of young Canada's most important week, Mayor Emmerson suggested that the local citizenry would do well to 'keep in step with Canada' by attending minor hockey games this week.

"It is our duty and I share it with every local citizen," he said, "to show our appreciation of the efforts of those who make participation in Canada's National Sport possible for our youngsters. Minor Hockey Week is Canada's most successful amateur sports promotion, and it is our duty to see that the local observance is equal to that of any in Canada."

The Mayor pointed out that we have a minor hockey program operating here that does not need to take a back seat to any in the country, but he said "it needs our support."

The best way to support the program is by buying a ticket. That starts a chain of events that really supports the local project. First the money helps finance the program. Then the ticket induces us to attend, and our presence encourages the youngsters and those whose efforts are necessary to the success of the local league."

He urged, however, that our support should not stop at encouragement. The Mayor went on to say that "we must pay public tribute to the men, and ladies, who spend so many hours organizing and operating the many leagues and games for our youngsters. By their work, they are providing our youngsters with an opportunity to play hockey. Out of this comes better bodies, healthier minds, better boys and citizens. What greater reward can we hope for?" he asked.

He did, however, go on to voice another hope — that one day, one or more of our boys may make the Canadian National team as it carries the name of Canada into international competition. "Then we shall have just reason to be proud of our town, our boys, and of the men who made it all possible."

The mayor concluded by saying: "Because participation in Canada's National Sport provides healthy exercise that will improve the body, discipline that will train the mind, teach cooperation, team play and a respect for rules, the boys are sure to benefit. When the boys benefit, the community must contribute. We do this best by supporting Minor Hockey Week. I can suggest no better way than by observance of the official slogan which is "don't send — take your boy to the arena", and if you do not have a boy of your own, drop in and watch the others. I know you'll enjoy it."

## Popiel Was Key Man On Springfield Team

Springfield, Mass., hockey followers are lamenting the absence of Poul Popiel these days, and a recent column by Springfield Daily News columnist Sam Pompei put into words the feelings of that city's sporting populace.

Pompei says this about the Georgetown minor hockey product: "We wonder sometimes if enough of us really appreciated the efforts of Poul Popiel while he performed with the Springfield Kings hockey team all of last season and part of this year."

"Since the little defense star departed for the Detroit Red Wings in a trade for Ron Anderson the Springfield club hasn't won a hockey game."

"The club's backline hasn't been the same, in fact, the defense, without Popiel, has practically collapsed."

"Without Popiel there has been no leadership in the Springfield rearguard... meanwhile let the Los Angeles brass ponder this: Just before Popiel was traded the Kings were on a five game unbeaten string. After he left, the Kings haven't won in nine."

The column is headed: "POPIEL WAS KEY."

Olympic Team Member Guides Gym Classes

Georgetown Y's gym classes have proved so successful that they're being extended to include junior, teen, and senior teen and adult groups, at least in the girls' section.

Classes for girls 12 to 14 have started in the high school gym Wednesday nights under the guidance of former Canadian Olympic team member Nancy McCreadie, and classes for girls 15 years and up kick off tonight.

Gym classes for junior boys and girls have been regularly offered by the Georgetown Y for several seasons, and have attracted good enrolments again this term.

The Smith and Stone curling bonspiel moves to North Halton Curling Club tonight.

Georgetown Intermediates, idle since January 10 because of cancellations of January 12 and 17 games against Durham and Seaford resume their schedule tomorrow night in Acton.

## Two Wins Put Raiders In 4th League Spot

Making hay while the sun shone, Georgetown Junior Raiders rolled to victories over the Suburban Junior C League's fallend club to improve their position in the standing this past week.

The Junior Raiders followed a 6-0 win over Thornhill, Wednesday with a 7 to 3 triumph Sunday at Streetsville's expense.

Chuck Lesley, who scored one of Canada's goals in the Russia-Canada hockey game in Maple Leaf Gardens, Sunday will be remembered by many people here.

Chuck was the popular captain of West Kildonan Bantams when they took part in the Bantam Hockey Tournament in Georgetown in 1964.

His picture appeared in the Herald when he presented tournament president Red Asseltine and his wife Jean with a bronze buffalo on behalf of the team.

The latest wins were chalked up with rearguard riddled with injuries and also missing Ray Inglis who has shed his junior garb for a Midget uniform for the balance of the season.

The team's top scorer, Jack Kemshead gained ground on his mates Sunday scoring four times and picking up an assist to spearhead the Georgetown offense. Jerry Nash, Brad Johnson and Frank King were the other goal-getters.

Jack Workman, Bruce Kalapaca and John Raynor handled Streetsville's sniping.

Georgetown had a 2-1 edge at the end of the first period and opened it to 5-3 in the second. Streetsville was held scoreless for the last 28 minutes.

Georgetown's last goal, King's was scored with just nine seconds left.

Frank King scored twice, while Dwayne Hay, Brent McMullen, Bruce Lewis and Jim Muir scored once each in Thornhill, Wednesday.

Bob Stoddart shutout the Thornhill attack which to date has produced just four points, in 27 games.

Georgetown travels to Lindsay to test the first place team tomorrow night, and take on second place Newmarket here Sunday.

Next Friday, January 24, will see Boston and Chicago tangle at 5:00 p.m.; next at 5:40 New York takes on Detroit and the last game of the evening will be Montreal vs. Toronto at 6:20 p.m. This should be a real battle as Montreal is only one point ahead of Toronto, with a win for Toronto the situation would just reverse — but who says Toronto is going to win!

Last Thursday the Flyers (Tyke all-stars) played an exhibition game with a Saturday morning team. The boys were all eager to win this one and did just that, the score being Flyers 3-0.

On Saturday, January 18 the Flyers embarked on their first road trip of the season. They journeyed to Streetsville to play Streetsville's Tube Bender Paperweight All-Stars. The local team outskated and out hustled their hosts and skated off with a convincing 4-1 victory. Goal scorers for the Flyers were Robert Donatson, Mike Jobb, Richard Hewitt and Scott Walker.

The Flyers have been accepted in two tournaments during February. The first being at Bramalea on Saturday, February 1st and the other, Newmarket Veterans Association Tournament at Bradford on February 22.

## Seek Legislation for Snowmobile Operation

Municipal government is never static.

In the early part of this century, councils were faced with a new problem — the horseless carriage — and over the years legislation was passed governing speed, parking and operation of automobiles.

Today, a new winter sport, snowmobiling has created a problem for town councils and on Monday Georgetown councillors discussed possible controls which are becoming necessary as the number of such vehicles increases.

With no precedent to consult Cr. Bill Smith said he is getting an increasing number of complaints, and council decided to give the matter some thought, with hope that a control by-law can be passed governing operation of snowmobiles on town streets.

## Midget Hockey Team Twice Winners in Week

The Georgetown Midgets won two games in as many nights last week by dumping the host Milton club 7-0 on Monday and trimming the visiting Hespeler squad 6-3 on Tuesday.

In Milton, a fine team effort paid off as Georgetown came up with their most impressive victory over Milton in four meetings this year and Doug Unsworth registered his second regular season shutout.

Juri Kudrasovs opened the scoring from Ron Fogal; Jerry Neil counted from Juri Kudrasovs and Bruce Davies; Paul Fendley from John McNally; Jerry Neil from Paul Fendley and Ray Inglis; Ron Fogal from Benny Hoppes; Juri Kudrasovs from Bruce Davies and Jerry Neil; and Dave Guest finished off the scoring from Ray Inglis.

At home against Hespeler, Georgetown scored the first goal, Dave Guest from Guy Hennessey and Jerry Neil, and never looked back. Ron Fogal added Georgetown's other first period goal from Jerry Neil.

The second period saw Ron Fogal score his second of the game from Jerry Neil and John McNally. Ray Inglis and Guy Hennessey each added unassisted markers before the period ended.

The third period saw only one goal scored and it was by Bruce Davies from Juri Kudrasovs.
