A Tuesday morning get-together for women and children proved successful at St. Andrew's United Church this week and will be continued.

Some thirty women, most of whom brought their pre-school children, sipped coffee while discussing affairs of the day in town and in the world.

An unfortunate mishap occurred when a coffee percolator over and Mrs. Norman Wodhams had to make a hurried exit for medical attention. Luckily the burns were only superficial.

Mrs. Wodhams was originator of the idea - a friendly hour for older and newer residents of the east end to meet and dispel some of the loneliness which some of the newcomers might feel.

Although sponsored by a group of St. Andrew's ladies, it is stressed that the Tuesday mornings are non-denominational and members of all churches are most welcome.

W.I. Letter Protested Changes in Estate Tax

The February meeting of the W.I. was held at the home of Mrs. Wm. McLean. There was an attendance of eighteen, 13 members and 5 visitors. Roll call was answered by naming something new on the market. Several new gadgets were passed around and admired. It was decided to have a suchrs and penny sale towards the end of March. Mrs. Jesse McEnery was appointed to attend the officers' conference at the University of Guelph this spring. A letter was read from our Member of Parliament, Rud Whiting. It was a reply to the letter sent in protest of the proposed estate tax. In answering Mr. Whiting commended the W.I. for writing and said he would welcome comments at any time. Mrs. McLean spoke for the cemetery committee regarding plaques and read a copy of the letter she had mailed for additional information. Business being over, Canadian Industry covenor then took over the meeting and called on Mrs. Ada Kirkwood for current events. Mrs. Jameson gave the motto "The reason a dollar won't do as much as it once did is, people won't do as much for it." Mrs. Jesse McEnery gave a demonstration on liquid embroidery which was most interesting. A valentine contest ended the program. During the social time there was an exchange of Home-made valentines.

Mrs. Archie McEnery and Mrs. Smith assisted the hostess in serving lunch.

Vicki Lya Hembrauff celebrated her 9th birthday on Sunday at the home of her grandparents Mr. and Mrs. Lloyd Marshall. Her aunt and uncle and two cousins from Toronto were also present to help her celebrate.

STEWARTTOWN Auction, Pot Luck Supper For W.I.

A pot luck supper produced a variety of food at the Esqueving Women's Institute meeting held at the home of Mr. and Mrs. Stuart Hall, Thursday evening, February 13th.

A birthday cake complete with candles was specially made for one of the members, who unfortunately, through illness was unable to attend.

Mrs. Robt. Thoms, vice president, presided in the absence of the president. The roll call 'an article wrapped for a blind auction.' Mrs. Herb Reid, convenor of Agriculture was in charge of the program, and although Mrs. Reid moved from this district to Manitoulin Island in July of last year, she sent along a letter, explaining the farming conditions on the island and also told of meetings sponsored by the Dept. of Agriculture. She told an amusing story of a family shopping expedition, and enclosed a poem describing a work day of a farmer's wife.

Mrs. Robert Lawson proved to be an excellent auctioneer, and disposed of the wrapped articles to the highest bidder - some received bargains, others paid dearly. However, the money will go to a good cause and the excitement of unwrapping the parcels made it all worthwhile.

The ladies of St. John's Church served an excellent Hot Turkey Luncheon at noon last Friday, which was well attended by local folks along with many from Georgetown and surrounding districts.

Sincere sympathy of the Community is extended to the family of the late Mrs. Arthur Scott who passed away suddenly on Saturday, Feb. 15, while vacationing in Jamaica.
