

Draw, Dance, Paper Drive Raise Funds for Trip West

Members of the juvenile hockey club are working hard to pay for their trip west. The club with manager Red Asseltine and coach Junior Beaumont will travel to Victoria B.C. next month to play in a hockey jamboree. A weekly 50-50 draw has been netting the boys about \$350 a week. Saturday they collected 2,685 pounds of waste paper in a pa-

per drive which will be repeated this Saturday. And a week from Saturday they have booked The Psychopompus for a dance in Holy Cross auditorium. As well, the team is being hel-

ped by private donations from merchants and industry — the latest including Robert Real Estate, Legion Branch 120, Garbutt Plumbing & Heating, Holmes 5c to \$1.00 Store, Burns Transport and General Fireproofing.

Counting money collected through the sale of 50-50 lucky draw tickets are hockey juveniles Barry Shortill, left, Don York, Roger Little and Bill Neil, and manager Red Asseltine.

District President is Visitor With Ballinafad Institute

Mrs. Robert McEnery was hostess to the March meeting of the WI. The president opened the meeting in the usual way. There were twelve members present. A special guest was Halton district president Mrs. John Bird. Final plans were made for the eucure and penny sale on the 21st March. Correspondence was read and dealt with. Mrs. Archie McEnery, convenor of education took over the meeting and called on Mrs. Marshall for current events. Mrs. Jesse McEnery gave the topic which was "education is everybody's business." Mrs. Shortill gave a report on Historical Research and asked for history of the local farms. Convenors of home economics Mrs. Jamieson also had a two minute report. Mrs. Bird was then introduced to the gathering and called on to say a few words. Her talk was also on education. She divided members into groups and discussions took place. We found out at least one important phrase of WI work from Branch right thru to AC-WW level. Mrs. Reta Shortill thanked the speaker for taking time on her busy schedule to visit with us. Mrs. Wm. McLean and Mrs. Donald McLean assisted Mrs. McEnery in serving a dainty lunch.

A car load of ladies attended the World Day of Prayer services in Churchill Community Church on Friday afternoon. Mrs. Wallace Swackhamer was in charge of the meeting. The theme was "Growing Together in Christ". Mrs. Norm Turner and Mrs. Shirley Anderson added much to the service with their musical selections. Mrs. Jesse McEnery was the guest speaker. Mrs. Elwood Snow was appointed Key Woman for 1970 when the service will be held in Ballinafad Church.

Friends and relatives of Mr. Stan Sinclair will be sorry to hear he is a patient in Guelph General Hospital. He was rushed to hospital for an emergency operation on Friday. Hope he has a complete recovery soon.

There were twelve tables in play at the recreational committee's eucure on Tuesday night. The prize winners being ladies 1st Mrs. Russ Snyder 2nd

HORNBY NEWS
The fifth and sixth meetings of the Hornby Actionettes was held on Monday evening, March 3, at the home of Mrs. Jim McKay. Leaders Mrs. William McPherson and Mrs. Jim McKay discussed plans on doing an exhibit for Achievement day. The girls illustrated sewing on buttons with a shank and a slip stitched hem.

Wants Good Tax Base Prior To Assessment Take-Over

Terming the recent announcement by Hon. Charles McNaughton that assessment functions and administration would be removed from the municipal level, as "startling" Assessment Commissioner Marshall Bain made some recommendations to council, Monday night.

Challenges Opponents To Debate Airstrip Issue

The gentlemen who apparently are most aggressive and acted as spokesmen for the delegation are namely Dr. E. Brown and professor Norman Bird. In view of this proposed by-law designed to destroy this airways enterprise, I therefore summons the gentlemen and their legal counsel to debate the issue with me in the presence of Esquering council members at their meeting. In respect to my neighbours I have already made two concessions, the flying school and the licensing of the airport. At this point it was my understanding, petitioning would be dropped. I am hoping these gentlemen will accept my challenge. In conclusion may I say the Rosslake complex is showing the scars of the battle. I am deployed on two fronts. The water (closure of swim area) and now the air. But I can assure my readers that though my ship flounders and is listing, and the sensation of defeat is very real, I enjoy every moment of combat and struggle for victory. Easy success would be dull. I shall not concede to defeat. I have not given the order to abandon ship. So I continue to cruise through the channels of adventure and progress.
