## HILDA'S COLUMN

It just goes to show you that a little common courtesy can go a long, long way. Since Loblaws has become "courtesy-conscious" I have received a number of letters telling us that the program is paying off. Customers are smiling...cashiers are saying "thank you"...clerks are going out of their way to be helpful...and shopping has become a "fun thing" again...at least, at Loblaws.

My mother says the next thing we know the customers will be dancing in the aisles. Not a bad idea at that, Mom.
