THE OXFAM WALK will be coming through Norval again this year and the ladies of the three churches will be asked to cater. Norval will be only 10 miles from the starting point and Mr. Ridley said that one of the Georgetown churches would be asked to help as there would be so many walkers making it this far. The walk is to be held May 3rd and further information will come from Oxfam headquarters.

A great deal of discussion took place on the problem of the young people of the district not having a place where they could meet and have some activities. The lack of concern of many parents was also discussed but the Rev. Ridley said that the churches have a responsibility to provide some leadership in this regard. Sam McClure and Don Cleave gave the farm point of view; that there is always something to do for the young and 4-H had a good program. The Rev. Duncanson thought there would be some difficulty in organizing the parents at this time and other planning methods should be tried. Gordon Fendley, the youth rep on the committee said the NDYO were going to try a coffee house for three days during March holidays. If it is successful it will become a regular event. It is hoped that some of the chaperones for the coffeehouse will be the teens' parents.

A Folk Service was suggested for late spring. Mrs. W. Ridley, Mrs. I. Reynolds, Mrs. O. Carter, and two reps from each YP Group in the village meet on March 24 to discuss the planning.

Rev. Walter Ridley said that the Norval-Huttonville Hi-C group which is sponsoring the Sex and Addiction Forum to be held in Norval United Church on April 19 will be sending invitations to all Youth Groups in this area. Mrs. L. May offered to look into the organization of Senior Citizens social events. A further report on this will be made at the next meeting.

The committee requested the secretary to send a letter to Esquimaux council asking why a cross-walk was not installed on Highway 7 in the village. A petition had been presented to council.

The United and Anglican churches in the village will exchange services. On March 23 a joint service will be held in Norval United Church — the service at St. Paul's will be cancelled but Sunday School will be held as usual, except for the changed time. On April 20 the congregations will worship at the Anglican Church.
