How you benefit from your Realtor's Multiple Listing Service when you sell a house.

When you sell your house through a Realtor, you save time, energy, and headaches. Because a Realtor is a professional in the real estate business who will introduce you to truly interested people. People who want to buy what you want to sell.

And through Multiple Listing, a number of Realtors work hand in hand so that you have a wide range of prospective buyers. All of whom do business through a Realtor because they know he handles the kind of property they're interested in. Fairly and squarely.

When you're selling your house, do it the simple way. Get in touch with your Realtor, a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the Canadian Association of Real Estate Boards.

The Sad Tale of The Puppet Show

Georgetown Public Library
9 Church Street,

Dear Sir:

About 250 children appeared at the library on Thursday, March 20 for the Puppet Show.

Several people drove through dense fog from Hamilton and Burlington to bring their puppets, their guitars and their talents. And what happened? A flood from the washroom drove everyone home just a few moments after the puppets began their show. We were all very sad and disappointed. However the Puppets and their mistresses will come back again soon on a Saturday and hope to see the Georgetown children again.

As the librarian, I apologize to all the "Moms and Dads" who took the time and trouble to bring their children to our show.

Perhaps this semi-disaster will prove our point. We really do need more space and facilities to help the young people growing up in Georgetown.

Our friends from the South Central Regional Library System will come again and we will hand out tickets, fifty for each performance. And no child, definitely no child will be allowed to go to the toilet until the show is over.

Yours hopefully,
Marjorie Nazer

History of Drugs W.I. Meeting Talk

Silverwood Women's Institute March meeting was held on March 12 at Mrs. E. Miller's home. It was a health meeting, convened by Mrs. George Ironside.

Mrs. Sales, a local nurse, gave an interesting talk on drugs and their history. Members voted a donation to the Red Cross Society and the MacDonald Institute at Guelph also received a donation.

Members nominated a committee to draw up a list of names for the annual meeting which takes place in April. The usual cup of coffee ended the meeting.

Mr. George Burgess is home after spending two weeks visiting relatives in the Oshawa district.

Mrs. Bomholt was hostess for the last two meetings of the 4-H girls club. Proper posture was studied at one meeting and fabric grain was studied to make a good fit. The last meeting was a work and sew session, so all dresses would be at the same stage of completion.

MAN ON A.V.C. LABOUR COUNCIL

Ivan Armstrong of Milton has been elected by delegates of the District Labour Council to fill a vacancy on the Halton County Board of Education's Advisory Vocational Commission.

Mr. Armstrong, a long time delegate of this local Union, United Steel Workers of America Local 4570, was selected by the delegates of over 30 area local unions at a recent meeting of the Labour Council.

The Labour Council previously had protested to the Halton Board of Education that the AVC had only employer representatives on its committee. With the resignation of one commission member the county board invited the Labour group to name one representative.

"Don't you remember me?" "Well you do seem rather fresh in my mind."
