Indoor Training as Boys Prep for Soccer Season

by Ivan Bird

As expected there was a much larger turnout at last Saturday's registration. However, the volume was still below the anticipated amount and so the association will allow prospective players to register at the high school gymnasium during the next two weeks.

Indoor training began at the gymnasium last Tuesday night. Sessions are divided as follows:

Atoms (under 9) Thursday — 7.00 p.m. to 8.15 p.m.

Mosquitoes (under 11) Tuesday — 7.00 p.m. to 8.15 p.m.

PeeWees (under 13) Tuesday — 8.15 p.m. to 9.30 p.m.

Bantam (under 15) —

Junior B (under 18) Thursday — 8.15 to 10 p.m.

Players already registered

have been split into team groups and coaches assigned. Changes may have to be made if registration figures increase but at the present time there are five teams in each league at Atom, Mosquito and PeeWee levels. Bantam and Junior B teams will represent the association in the Halton & Peel District league.

Last year's coaches and managers were tremendously encouraged by the number of new faces in evidence at last Sunday's general meeting. More help will be required but the response for new coaches was excellent.

President Terry Leggett welcomed the new members and outlined the plans for the forthcoming season.

Commissioners were chosen for each league; Ed Patterson

for the Atoms, Dan Henderson, the Mosquitoes and Jim Wilde for the PeeWees. A referees committee was formed with George Duncan as chairman.

Past president Bill Barclay reported that there is to be a meeting of the Halton & Peel District Soccer Association in the Legion Hall, Georgetown on April 7 and invited all members to attend.

This season PeeWee, Bantam and Junior B players will be allowed to wear soccer boots. The association is negotiating with local sports outlets for this footwear to be made available at an approximate cost of \$6. The boots will be purchased through the association and players should contact their coaches for further information.

Team coaches would like to see all their players at the gymnasium for pre-season instruction. Bear in mind that boys not signed may register at the gym. Come along and join in.

VALUABLE DEAN

Dean Popiel of Georgetown PeeWees was named Most Valuable player at the Golden Horseshoe Hockey Tournament in Burlington on the weekend.

Advance to Finals PeeWees Lose

The Georgetown C & V Pee Wee hockey team was defeated 3-0 by a strong St. Catharines Bel club to lose the Burlington Invitational Golden Horseshoe Hockey Tournament championship.

The game was held to a 1-0 score until there was less than two minutes remaining in the third period when the opposition finally penetrated the fine goal keeping of Allan Densmore for two more goals. The game was highlighted by the fine defensive efforts of the whole team.

St. Catharines had defeated Peterborough, London and Burlington to gain a spot in the championship game.

In the first game of the tournament Georgetown defeated Brantford 2-0 on unassisted goals by defenseman Larry Peterson and right wing Gary McFadyen.

Allan Densmore stopped two break aways early in the first period to earn a well deserved shutout.

Richmond Hill, who had defeated Brampton in the first round of the tournament, were defeated by the C & V Pee Wee hockey team Saturday night. The winning goal was scored late in the third period by Dale Mieczanec on a pass from Kevin Reeks. Other goal scorers were: Dean Popiel, assisted by Mieczanec; Gary McFadyen, unassisted; Tom Fendley, unassisted; and Kevin Reeks, assisted by Larry Peterson.

Crests were awarded to the Georgetown players by Bob G. Lham.

KID HOCKEY

by Bud James

Saturday, March 29 playoff spots were settled and the last game of the round-robin was the deciding factor in who played who.

In the Jr. A. all teams played good hockey and were playing as if 1st place was at stake. Positions for 3rd and 4th were decided by goals for and against. Oshawa edged out Peterborough by 5 goals.

In the NHL there were also 3 positions that went down to the wire and again the last game was the deciding factor to settle 2nd, 3rd and 4th spots. And again it was goals for and against that decided these positions.

The American League has been a tight race all season and the teams played it right down to the wire in the round robin and playoff spots, were not decided until the last game.

The Sr. League will move into Saturday morning, also had a tight race in their league and fans should see some good hockey.

The playoffs will be 2 games with goals to count, if teams are tied after the first game there will be no overtime but if teams are tied after the second game there will be 10 minutes sudden death overtime and the first team to score will be declared the winner, this applies to the semi-finals only.

The finals will be 2 games goals to count, if teams are tied after the first game there will be no overtime, if teams are tied after the second game there will be 10 minutes overtime straight time and if teams are still tied there will be 5 minutes sudden death overtime.

Final Standings

London won 1st place on goals. Oshawa won 3rd place on goals. Kitchener won 5th place on goals.
