Also with a four-and-one record, but not figuring in the prize money was the rink of Lee Symmes skip, Joy Noble vice skip, Tom Burgess second and Hilda Hoyt lead.

Fourth prize on points went to the Morris Goudekting rink with a record of three wins and two losses. Morris

Goudekting was skip with Cecily Campbell as vice, Pat Chamberlain second and Rose McCluskey as lead.

Fifth prize went to the rink skipped by Graham Farnell with Alice Mintern as vice, Glen Magnuson as second and Marg Giles as lead.

## 350 Now Registered For 26 Soccer Teams

by Ivan Bird  
Once again registration figures rose during the past week, with approximately 50 more boys signing up. The total has now reached a respectable 350.

As a result, there will now be a total of 26 teams, 7 Atom 8 Mosquitoes, 7 PeeWee, 3 Bantam and 1 Junior 'B'. This is a total of 7 representative teams wearing the Georgetown colours.

The large increase in registration and teams again leaves the association in dire need of assistance in the way of coaches and managers. The start of the

season is approaching very rapidly and the need for this help becomes extremely urgent. Anyone interested please contact Terry Leggett the association president at 877-4380.

Georgetown's soccer community was shocked to hear last week of the illness of Jim Baillie. Jim was one of our PeeWee coaches last year and was intending to coach an Atom team this season. The association would like to wish Jim a speedy recovery and return to coaching activities.

## KID HOCKEY

by Bud James  
Saturday, April 12, any fans who missed the games in the semi-finals missed some good hockey games and if this is any indication of what is going to happen in the finals fans can look forward to some great games.

In the Sr. League Oakville defeated Galt in a good game but Galt just could not put the puck in the net as Oakville won 3-1 to win the semi-finals on total goals 7 to 2. In the second game Guelph outplayed Woodstock and won the game 6 to 1 to win the semi finals on goals 10-2.

In the NHL the game between Toronto and Philadelphia was a big upset as Toronto who were the favourites in this series took a 2 goal lead into the second game. Philadelphia showed great improvement over the first game and had an edge in play and kept Toronto on their toes. The series was tied up on goals and with 2 minutes to go in the game Philadelphia came up with a big goal and checked Toronto who came on strong, but could not get the tying goal and the game was cleanly played as 3 penalties were called. Toronto goal scored by K. Hancock assist J. Sheppard, Philadelphia goals scored by W. Gibson assists D. Bellamy, R. Lavell, E. Pearce unassisted, D. Bellamy assists B. Peck, W. Gibson, R. Lavell unassisted.

In the second game of the NHL semi-finals Detroit held a 2 goal lead going into the 2nd game over Chicago. Detroit played a little carelessly as Chicago put on a strong effort and scored 1 goal and came close to tying the series. Detroit up with two quick goals in the second period which seemed to take a little steam out of Chicago and was the turning point of the game as Detroit went on to win the series 10-4. Detroit goals scored by G. Cousins assist R. Quanbury, D. Quanbury assists P. Noble, G. Cousins, P. Noble assists D. and R. Quanbury, D. Quanbury assist P. Noble G. Cousins assists R. and D. Quanbury, P. Noble assist D. Quanbury. Chicago goals scored by J. Swan unassisted, J. Crawford assist J. McFarlane.

In the American League Pittsburgh came up with a good game and gave Baltimore an uneasy feeling as Pittsburgh never let up and when they scored the first goal it gave Pittsburgh a big lift. Both teams played good hockey and kept the fans on the edge of their seats but as far as the play went you would have to give Pittsburgh the nod. Pittsburgh scored the only goal as G. Moore scored unassisted. Baltimore won the semi-final on the round 5-3.

The second game between Rochester and Springfield was the top game of the morning and it was a matter of which team could keep up with the pace. When a team only allows 2 and 3 goals in 2 games that these teams are pretty well matched and with a break the score could have been erased. Springfield's goals were scored by B. Kirby, D. Pambleton. Rochester's goal scored by C. Knoepfl.

The Jr. A as they have been all year the fan pleasers and Saturday morning was no exception as fans were treated to good hockey. The Marlies who edged Peterboro by two goals had their hands full as their goalie E. Linee came up with some good saves. Marlies' goal by G. Findley assisted by J. Burns, Moore assisted by Moore. The game between Oshawa and London was a cliff hanger and it took ten minutes of over-

time to settle the game and come up with a winner. London scored in the overtime at the 2 minute mark but Oshawa never let down and with a break could have tied the game up. In the last minute to play Oshawa pulled their goalie for an extra attacker and had London hemmed in their own end, missed trying the game up but London got control of the puck and shot it down the ice and went in to Oshawa's net to wrap up the game for Oshawa. London goals scored by Fisher assisted by Storring, Storring scored 3 unassisted goals. Oshawa goals scored by J. Taylor, J. South. Schedule for 1st Game of Finals
