**SET FOR SWAT** — Georgetown Giants manager Tom James mentally preps some of his charges for the 1969 Halton Intermediate Baseball League during one of the last practice sessions before they opened the season last night hosting Dundas. Giants will be starting their home games very early in the evenings until the lighting system is in operation.

**LANDS LUNKER** — Since trout fishing season opened almost three weeks ago, reports of fine catches by area anglers have been frequent. Holding the evidence of successful angling in the Credit River is Jim Thrower of 299 Delrex Boulevard who hooked this seven pound Rainbow Trout near Streetsville last week.

### Safety Tips For Boaters

- 1) Buy a boat suitable for the use you want to make of it. Make sure it is large enough for the number of passengers you plan on carrying and that it will handle the horsepower you wish to use.
  - 2) The rules of the road apply to boats as well. The drinking driver is just as dangerous on water as he is on land.
  - 3) Equip your boat with government approved safety equipment: a life jacket for each person on board (see that each life jacket fits the person for whom it is intended, and that it is worn at all times); two oars or paddles; baller or manual water pump; red distress flares; tool kit; first aid kit; fire extinguisher; and an anchor on 50 feet of line.
  - 4) Carry and use the correct lights at night.
  - 5) Before starting out, leave your "float plan" with the safety officer of your boat club or with a friend. They should be instructed to inform the search and rescue organization if you have not returned by a stated time.
  - 6) Never smoke while refuelling.
  - 7) Put your passengers ashore while refuelling.
  - 8) Check the weather reports before setting out and continue to keep in touch with weather developments through your AM or FM radio.
  - 9) Always wear a life jacket in choppy waters and at night.
  - 10) If upset, call for help and hang on to the boat until help arrives unless the boat is drifting into danger or the water is extremely cold.
- There's more information on boating in the FREE booklet "Safety Afloat '69." Write to the Marine Regulations Branch, Department of Transport, Ottawa for your copy. A complete safe boating course is available through the National Safety League, Ottawa.

### Binky Best of Breed At Sarnia Kennel Show

Binky, the Keeshond owned by Miss Laura Treble of Tanhardt Kennels, RR 1, Georgetown, did it again at the Sarnia Kennel Club Show in Sarnia on Sunday. For the seventh time, Binky was judged Best of Breed and also placed fourth in the non-sporting group for the second time.

Two German Shepherds from the Tanhardt Kennel also did well at the Sarnia Show. Ewen's Argonaut of Tanhardt, owned by Peter Hahn of Simcoe, went Best Shepherd Puppy, while Tanhardt's Rum and Butter, owned by Mr. and Mrs. Gus Fantuz, was third Open Dog.

On Saturday Miss Treble handled two St. Bernards from Mont Blanc Kennels, owned by Mr. and Mrs. John Vandermeer, RR 1, Limehouse. Rochester Caro Du Mont Blanc went third Open Dog in a class of eight; and her daughter Avalanche du Mont Blanc, went Open Female and Reserve Winners. This was just the second show for Avalanche of which great things are expected.

The Saturday show was staged
