Retires After 18 Years As OHA Chief Referee

"The loss of Mr. Patterson's services to hockey will be greatly felt as he has contributed many long hours to the fulfillment of his position." So said Ontario Hockey Association's secretary manager W. Hanley in a press release to The Herald.

PAT PATTERSON

this week, announcing the acceptance of the resignation of Pat Patterson, Norval, as OHA referee-in-chief.

Mr. Patterson a former Esquimaux councillor, held his position with the OHA for 18 years and the step was necessitated due to business reasons.

In recognition of Mr. Patterson's services to the Ontario Hockey Association the OHA tendered a retirement dinner at the Westbury Hotel, Toronto, on Friday May 9. He was presented with a clock centred on a silver tray suitably inscribed, and a set of engraved cuff links and tie bar, OHA created.

In a low net tourney, May 8 Carl Golinski copped first prize with 34. Paul Skinner had a 35, Harry Sanderson, Gord Campbell and Al Weatherall had 35½, Bill Anderson, 36½; Bruce Bliers, and Bill Schenk 38; Jim Jones and Ron Cash 38½.

Seek More Juniors For Kin Girls Ball

Kinmen's Girls Softball league opens are less than a month away and the problem right now, at least in one of the two divisions, is finding players.

While the senior league is expanding this year from four to six teams to take care of a wave of junior graduates this season the junior loop is still looking for approximately 30 players to keep the junior number of teams there at ten.

So far 176 girls have registered to play in the Kinmen girls league this year.

Juniors will start their schedule June 10, and seniors June 12 in Georgetown park.

The new senior league sponsors are Barragers Cleaners and Blue Giant Equipment.

Juvenile's Bob Neil Awarded MVP Trophy

Bob Neil of Georgetown Juniors was named recipient of the Reg Higham Memorial Trophy at Georgetown Minor Hockey Support Group's annual dinner May 10 in Knox Church hall. The Higham trophy, presented annually to a player judged by managers and coaches to be most valuable to his Support Group team, is always awarded at the dinner with the winner not disclosed until that time.

Recognition was also given Georgetown's players who copied individual awards in Tri-County play. Midgets' Paul Fendley, Juri Kudrasovs, John Blair and Doug Unsworth, and all personnel of the Midgets and Bantams who captured OMHA group titles this past season.

Individual trophies were given all members of the Novices, PeeWees, Bantams, Midget and Junies.

Approximately 145 attended the dinner chaired by past president Del Beaumont. The guest speaker, Little NHL founder Gordon Alcott, was introduced by Herb Robinson and thanked by Mr. Beaumont.

He spoke on his proposal for a Russia-Canada minor hockey series, and a Little NHL hall of fame for Georgetown, and recalled some experiences from the early days of minor hockey here.

GAME FOR ALL SEASONS — For the third straight year, bowling at Georgetown Bowl on Mountainview Road South will span all four seasons. A spring bowling league season which will conclude in July, got under way at the 12 lane bowling centre last week with an adult league rolling every Tuesday night and a setup for teens operating Wednesdays. Above, Bill Radyk launches the new season with a helpful bowling tip for wife Rose — "The pins are thataway." The Radyks and Peter Williams operate Georgetown Bowl, which by the way, is providing prizes for spring league bowlers.

Legion Pipe Band Adds Colour to Soccer Opener

by Ivan Bird

Although last Saturday was not a very good day, as far as the weather was concerned — there was still a fair turnout to see Councillor Sandy Mackenzie, deputizing for Mayor Emmerson, kick off the 1969 season.

The Cedarvale pitch was in excellent shape, thanks to some very hard work by a number of members of the Association, and a lovely setting for the colourful parade led by the Legion Pipe Band, before the first game, played by the Falcons and Astronauts of the Atom division.

This game was a very close affair with the winning and only goal scored by Lindsay Kennedy of the Astronauts. Also playing well for the Astronauts were Ian Rannachan on the left wing and Alex Verag at right half. Duncan Alabaster in the Falcons goal rated well to allow only one goal and Danny McIntosh gave able assistance.

The PeeWee contest between Arsenal and Beavers was another close game. Although both teams had good chances Beavers tired in the second half and allowed Charlie Knoepfli to score for Arsenal. The Popiel boys played extremely well for Beavers and Ken Ross for Arsenal.

Cougars versus Owls in the Mosquito division turned out to be a tremendous finish to the day. Playing for the newly presented Georgetown Police Association league cup may have been the spur. A total of 11 goals were scored in this game, the final score being 8 to 3 in favour of the Cougars.

The score may look one sided, but this was an end to end contest which could have gone either way. Owls came back once from a two goal deficit and kept close until the Cougars finally pulled away.

Kent Kennedy (3), Scott McLaughlin (3), Davy Patterson (1), and Sammy Watt (1), were Cougar goalscorers with Richard Shail on defence also playing well.

Owls' three goals were all scored by Jimmy Burns, who played a tremendous game. S. Roberts on defense also gave a good account of himself for the Owls.

Final Scores

Atom:
Falcons 0 — Astronauts 1 (L. Kennedy)

Mosquitoes:
Cougars 8 — Owls 3 (Cougars, K. Kenney 3; S. McLaughlin 3, D. Patterson 1, S. Watt 1.) (Owls: J. Burns 3.)

Pee-Wee:
Arsenal 1 — Beavers 0 (Pee-Wee: C. Knoepfli.)

On Sunday afternoon our Junior B team lost its opening league game 3-2 to Hungaria. The game was played in atrocious weather and might have gone either way. Gordon Barclay scored two for the 'Bs' who look set for a good season.

Lindsay Kennedy of the Astronauts holds the ball with which he scored the first goal of the minor soccer season, Saturday. It proved enough for a 1-0 victory for Astronauts over Falcons.

The cars with the electronic brains. They're still Volkswagens at heart.

Even though the 1969 VW Squareback, Fastback and Notchback sedans are the only cars in the world with computerized fuel-injection as standard equipment, underneath it all they're still humble, hardworking Volkswagens. You still get an air-cooled engine in the rear that doesn't need water or antifreeze. You still get around 31 miles to a gallon of gas. And despite other innovations, like a new double joint rear axle and a heated rear window, we've still made sure that you get a car that isn't too smart for its own good. Because we wouldn't want it said that we let our electronic brains go to our heads.

Check the Yellow Pages under Automobile for the name of the Volkswagen dealer nearest you.
