'Pot Pourri' Entertainment By Holy Cross Pupils

On Wednesday evening, May 21, the parents and younger brothers and sisters of the senior grade pupils of Holy Cross School were treated to a "Pot Pourri" of entertainment. This ran the gamut from calypso, to rock music to piano solos.

A short play by Mrs. Lobb's Grade V class opened the proceedings, and told how the name April Fool's day came into being. There were instrumental solos by Clement Mizue, Christine Landry, Derek Ezekiel and Denyse Parent. Also on the program was a demonstration in gymnastics by the Grade 8 boys, who tumbled through the air with the greatest ease and topped off the performance with a huge pyramid, which, with the last boy perched precariously on top, came tumbling down, much to the delight of the young members of the audience.

A treat was in store for those parents who might have wondered just how much oral French their child had learned in the short duration of 16 weeks. A group of five pupils under the direction of Mr. Lobb told a short story in flawless french.

After a brief intermission, nine very demure looking mothers from Mrs. Landry's grade 4.5 class strolled with their babies in the park and lamented
