

COWBOYS AND INDIANS IN THE PARK — The cowboys around the campfire are Guides of Fourth and Fifth Companies making their noon meal at the Girl Guide Rally held recently in Georgetown Park. Fifth company Guides covered themselves with glory at the outing by passing various tests, including tent pitching, knot tying, fire fighting and compass reading, with the highest marks.

Brownies were a park pow-wow in force, and a competition for most authentic Indian dress and tepee saw 10th Georgetown pack, above, judged winners. Brownies were also tested for their Athlete Badge.

**Toured China,
Tells UCW
About Life There**

Members of the UCW of St. John's United, gained first hand information about China when Mr. Burville, a Hamilton language teacher, spoke at their May 21 meeting in the church hall.

With his wife he was in a party of 22 people who planned a trip which took them inside communist China in 1966. Entering by way of Hong Kong, they were accompanied by three guides provided by the communist authorities.

His slides showed both old China and the new, modern China which volunteer work parties are helping to build. At the close of each day Mrs. Burville wrote notes which have now been compiled and published in book form.

A question period followed. Many Chinese items were on display during the social hour. The speaker was introduced by Mrs. Lee King of Watford, a former UCW president. Mrs. George Ironside expressed thanks to the speaker.

A lovely lunch was served and of course fortune cookies were on the menu.

Mrs. Douglas Latimer welcomed the ladies as president Mrs. Stuart Hall was unable to attend. Devotional was given on the Psalms of nature by Mrs. Hayes, Miss Ruddell, and Mrs.
