

**FUN IN THE SUN AT DISTRICT CUBOREE** — Above, Cubs in a semi circle watch the goings on during one of the competitions at the annual Georgetown District Cuboree which was held Saturday in Centennial Park. Fourteen Cub packs were represented at the affair which lasted from early morning until four in the afternoon. The day's programs included such competitions as an obstacle course, pie eating contest, soccer match, scavenger hunt, tug-of-war, tent pitching and eight other events. There was even a balloon inflating contest for the leaders. Not all of the activity were scheduled however, as evidenced by this photo of adventurous Cubs yielding to the lure of the cool stream for a refreshing stroll. Roger Clark and Barbara Youmans of the 8th Georgetown Pack were in charge of arranging the day.

**Two Special Features At St. George's Services**

Members of the men's club conducted the eleven o'clock service at St. George's Anglican Church on Sunday — a yearly feature of laymen's Sunday.

Barry Cannon detailed Anglican Church history and the church's position today in a well-prepared address.

A men's choir was directed by choirmaster George DeKleer and several members of the club took part in the service including Tom Parry, Jeff Duck, John T. Armstrong, Paul and Michael Armstrong.

The 9:30 service was also a special one — a folk mass, with the intermediate choir supported by guitarists Tom Ewles and George Mills.

There was a special speaker at this service also, Roger Smith a University of Toronto student, who spoke on some of the problems faced by the church in today's fast changing world.

**NORVAL NEWS**

A meeting of all committees for the Chicken Barbecue to be held at Maple Lodge Farms on Saturday, June 14, by Norval United Church was held in the church on Monday evening June 9, to finalize the plans. Each group reported on work done so far and their plans for the barbecue day. In charge of the various committees are chairman, Mr. and Mrs. Bob May; bar-

B-Q Paul Johnson, arrangements Earl MacArthur; food Mrs. Bill Laidlaw, Booth, Dave Dunlop; parking Ron Moffat; entertainment, Gordon Laidlaw; tickets and advertising, Ken Reid.

The afternoon has been divided into 3 working periods, 3-5, 5-7 and 7-9. Plans this year are for 2,000 people, rain or shine.

The roads leading to Maple Lodge Farms on the town line south of Norval will be well marked with arrows so there

will be no trouble in finding the place.

Norval United Church UCV enjoyed their annual bus trip on Wednesday June 4. In the morning they visited Burlington plaza for some shopping then went on to Dundurn Castle Hamilton, for lunch. After lunch they toured the castle and then the Botanical Gardens before returning home. 38 ladies enjoyed the day.

Get well wishes are extended to Walter Bianchi who spent a few days in Peel Memorial Hospital Brampton.

**\$1,000 PROFIT AT ROTARY AUCTION**

"The biggest success yet" was the label given to last week's Rotary auction sale held in the arena Monday night. A thousand dollars was raised for the Rotary Club's community service projects.

The sale began at 6.30 p.m. and continued till 11 p.m. with auctioneer Alf Spence chanting

out his spiel all the time and Frank Petch assembling the articles for the next pitch.

A gun case, over a hundred years old, of solid oak with brass fittings, attracted attention, and a few pieces of old glassware were quickly picked up.

But the every day things, as usual made the sale a success—the beds, dressers, stoves, refrigerators; TV sets; radios and electric appliances.

Howard Briggs was the chief organizer of the sale this year.
