

### Military Guard of Honour Docherty - Crawford Wedding

MR. AND MRS. BRIAN DOCHERTY

Groom and best man in military dress uniform and a regimental guard of honour made a colourful wedding ceremony in Toronto on May 17.

The ceremony, in St. Andrew's Church, united in marriage Roberta May Crawford daughter of Mr. and Mrs. Ken Crawford, 85 Saskatoon Drive, Weston and Brian Docherty, son of Mr. and Mrs. Q. Docherty, St. Andrews is the regimental church of the 48th Highlanders.

The bride wore a satin gown with a tubular lace train and wrist length sleeves, a silk veil, and carried a bouquet of white roses centred with a blue orchid.

She had five attendants, her sisters Frances Crawford and Mrs. Sharon Beck, the groom's sister Pauline Docherty, and Carol Quin and Charlotte Campbell. They wore blue satin with white lace and pink carnation headresses. Mrs. Crawford, who was maid of honour, had a bouquet similar to the bride's. Other attendants carried nosegays of roses, carnations and stephanotis in pink and white.

The groom wore his 48th Highlander uniform and best man Robert Quin the uniform of the Toronto Signals regiment. Colonel Cameron and RSM Elms of the regiment organized a guard of honour and the bridal party was piped from the church by pipers David Lewis and Fred Hodgins.

Mr. Crawford gave his daughter in marriage in the double ring ceremony performed by Rev. W.A. Wishart, Douglas and Quentin Docherty, Rexdale, Charles Harding, Scarborough and George Beck, Ajax were ushers.

At a reception in Colonel Striker legion hall the bride's parents and her grandmother Mrs. Connors from New Brunswick received for her, and the groom's parents and his great-aunt, Mrs. Wilson for him.

For a honeymoon trip to Beaverton, the bride wore a yellow dress with white trim and a corsage of pink roses.

Mr. and Mrs. Docherty are living on Main Street, Georgetown. He is employed with the department of highways and she is a member of the teaching staff of Harrison public school.

The Ladies' Auxiliary of the Norval Guides and Brownies met at the home of Mrs. T. Kronendok recently with Mrs. Tom Pettingill presiding. The main item of business dealt with was plans for a joint picnic of all Guides, Brownies, Scouts and Cubs and anyone connected with these groups in the district to be held at Terra Cotta Conservation area in the Thompson Area, on Sunday, June 22. A pot luck supper about 5 p.m. with the LA providing ice cream and drinks and a camp fire in the evening were planned.

As there is no Men's Group committee at the present time, and as there was no father and son or mother and daughter banquet this past year, the LA planned the picnic as a get together in place of these other activities usually held. It is hoped that all who are connected with the Scouting and Guiding movements in the area will turn out for the picnic.

Mrs. and Mrs. Lawrence May, Mr. and Mrs. Jack May, and family and Mrs. Bob May and family were kept busy rounding up coats, jackets, sweaters, etc. for the workers many of whom were not prepared for the sudden change in weather. It was a funny looking line up of workers who man-

ned the 'assembly line' food tables during the showers. Some wore plastic or brown bags on their heads for protection, but the food was served as advertised, rain or shine.

Sunday morning was project 'clean up' at Maple Lodge Farms following the barbecue after which church service was held at 11.30. The rain again made it impossible to hold the church service out doors so it was held in the recreation room at the home of Mr. and Mrs. Jack May with an excellent attendance. Before the service coffee and eats were enjoyed.
