

# Want Equal Status With Public Boards

Ontario's Separate School Boards should be treated on an equal basis with public boards, said a delegation from the Halton County Separate School Board to Queen's Park last week.

The delegation said the Halton school believes separate school boards are not being treated fairly because they did not receive grant relief similar to that given public boards recently.

"We wanted to see if we would get more money from the province in the future," delegation spokesman Michael Noonan told trustees at the regular board meeting.

### Norval School Pupils Have Trip To Museum

The pupils and teachers of all three rooms of Norval public school enjoyed a trip to the museum in Toronto on Friday, June 20. Assisting principal Mrs. Wilson and teachers Miss Robertson and Mrs. Glass with the pupils on the trip were Marie Fendley, Susan Finnamore, Jean Lee, Marilyn Kerr, Brian Cunningham and Candy Schertel. After touring the museum they enjoyed eating their lunch in High Park before returning home.

Mrs. J. Peterson of the Cooksville Paint and Wallpaper, Drapes and Broadloom Store, was the guest speaker on interior decorating at the meeting of Unit Two of Norval United Church UCW held at the home of Mrs. Ron Moffat on Wednesday evening June 18. She gave practical ideas on how to improve a home rather than ideas on decorating a new home which was of interest to those attending. She displayed samples of rugs, curtains, tile etc. and gave suggestions on how and where to use them.

Mrs. Gordon Laidlaw presided for the meeting. Mrs. Stanley Fishburn and Mrs. Roy Laidlaw gave the devotional and Mrs. Earl Wilson and Mrs. John Thurlbeck assisted the hostess in serving lunch.

Unit One of Norval United Church UCW met at the home of Mrs. Norman Laidlaw on Thursday afternoon, June 19, with Mrs. Ed McLean presiding in the absence of the president, Mrs. Guy Wilson.

Mrs. Dan Wey gave the devotional and Mrs. James Laidlaw gave the chapter from the study book on China 'Man and his Work'. The chapter was very informative about the communique way of living and sharing. Although their standard of living cannot compare with ours it is much better for them than for former years, with each person getting enough to eat and an education. The security of not having to worry about the future means much to them.

The roll call was answered with a news item on China. During the business it was decided that the UCW pay the United Church share of the Oxfam walk expenses at the Norval check point. This was also sanctioned at the meeting of Unit Two on the previous evening.

Following the closing prayer lunch was served with Mrs. Percy Laidlaw and Mrs. Dan Wey assisting the hostess.

The committee for the Norval check point for the Oxfam walk report that all bills have been paid. The committee were Mrs. I. Reynolds of the Presbyterian Church, Mrs. Fred Fendley of St. Paul's Anglican Church, Mrs. Ed. McLean of Norval United Church and Mrs. Ford of Holy Cross Catholic Church Georgetown.

The total expenses for fresh coffee, band aids, plastic cups etc. amounted to \$72.62. A small profit from the pop, which was sold for practically cost, amounted to \$1.60 leaving a total of \$71.02 to be divided between the four churches. The share for each church amounted to \$17.75.

Congratulations to Norval public school on placing 2nd at the Esqueving Township field day held in Georgetown park on Wednesday, June 18 with a total of 5 schools participating. Norval pupils won a total of 90 points to bring home the 2nd place cup.

Get well wishes are extended to Mrs. John Dunlop, who is a patient in Georgetown & District Hospital.

Sympathy is extended to the McClure family on the death of William Lewis McClure in his 82nd year in Peel Memorial Hospital Brampton, on Thursday, June 19. Interment was in Hillcrest Cemetery, Norval, Saturday.

## GLEN WILLIAMS

### Glen Scouts Attend Bass Lake Camparee

Ten Boy Scouts with Scoutmaster S. Gemesi and assistant Scoutmaster Dave Reynolds attended the Georgetown District Camparee at Bass Lake Provincial park at Orillia on the weekend.

Last Wednesday night Scoutmaster Gemesi entertained all Scouts and parents to a barbecue at his home. Because of rain they moved indoors. At this time, two boys, Robbie Heaton, son of Mr. and Mrs. Bob Heaton of Tweedle St. and George Taylor, son of Mr. and Mrs. Alan Taylor of Confederation St. were invested into Scouting. Brett Giles received the "Scout of the Year" award and we say "congratulations, Brett!" A very enjoyable evening concluded with a discussion on Scouting. The Scout meetings are over for the summer months.

Friday morning, May 30 at 6 o'clock the cars started to roll into the school grounds with the people of my class. My class, the "Grade 6 students of Glen Williams were going on a trip to Ste. Marie I in Midland and Martyrs Shrine. The afternoon was for a trip to Wasaga Beach Zoo. At 7 a.m. we left the school by bus and at 9 arrived at Martyrs Shrine. The roof was shaped like a cross and part of it looked like a canoe. The priest told us about the shrine and we also looked around. At about ten o'clock we arrived on Ste. Marie I just across from the Shrine. There was a guide that showed us around. The first section had a movie theatre and then after the movie, the screen moved up and we were at the entrance of the fortress. The first part had the European area and then the Indian area blocked off from the European section by a wall of palisades with many doors that could be shut at night. Then after meeting a real Indian who showed us some Indian pottery we looked at the Canal system which has four locks. We ate lunch in the park and I and others fed the seagulls. The afternoon was spent on the beach. Garry Denman in Wasaga Beach Zoo which we enjoyed. At 3:20 p.m. we left for home and arrived back at 5:40 only 40 minutes late. (Composed by Robbie Heaton)

Mr. and Mrs. John Wagstaffe spent a recent weekend at Sunridge at the W. Lindner cottage and motored on to North Bay to visit Mr. and Mrs. Ken Beam and family.

The ladies of the Sir John Beverley Robinson Chapter of IOOE, Toronto were entertained on June 11 to a buffet luncheon at the home of the Regent Mrs. T. A. Dillon of the 10th Lane.

Mr. and Mrs. C. Barth flew to the Lakehead last week for a visit with Mr. and Mrs. G. S. Barth of Fort William.

Next Sunday is the last United Church service here till August. Rev. Walter Ridley will be on holidays for the month of July.

Mrs. Norman Norton, her son Leslie, and Mrs. Stan Norton and son, Rodney all of Glen Crescent Drive are enjoying a holiday in England.

— Mrs. C. Barth
