

'Old Bones' Rattled by Juniors in Exhibition

By Ivan Bird

The old bones were creaking last Saturday afternoon as the coaches took on the Junior B team in an exhibition game at the Cedarvale Open House and auction. Before a large crowd the coaches were treated to an excellent game of soccer, the Junior B's getting their own back for some of last year's defeats and taking a 3-1 decision. Most of the coaches made it to the general meeting the following morning, but the turnout was not as good as expected. The winner of the association's 50-50 draw was Mr. G. Finlay of 49 Market Street who is now \$235 better off.

ATOMS

MONDAY: Penalties were the decisive factor in Wildcats 2-1 win over Astronauts. Gordon Miller scored twice from the spot and otherwise played a good game aided by little Ian Wilde. For Astros Jerry Simpson scored a good early goal, however despite great play by Chris Szczepaniak the defense could not hold the Wildcats off. WEDNESDAY: The league lead was decided in a thriller between Golden Hawks and Flyers; Flyers taking the top spot with a 2-1 decision. Both forward lines applied a great deal of offensive pressure. Tim Turner and Tony Krause being outstanding in this respect for Flyers whilst Tony Leggett and Paul Morrow were the main Hawks threat. The deciding factor was the play of Billy Kent in the Flyers net who gave a very sound display.

FRIDAY: Falcons and Dynamos both tried hard for their first win of the season but had to be content with a 1-1 tie. This was a good contest with lots of tough play. For Falcons coach John Bew singled out Richard Hewitt and David Bew for special mention, whilst for Dynamos Mark Law, who scored his side's goal, was outstanding.

MOSQUITOES

THURSDAY: The win column continues to avoid a fighting Torpedoes side who were beaten again 3-0 by Rovers. Gary Fisher and M. Landry played their hearts out for Torpedoes but a fine two goal performance by D. Timpon gave the win to Rovers.

SATURDAY: Raiders are also blank in the win column but they came close to changing this in a well played game with owls. Raiders finally lost 1-0 due to superior team play by Owls who have a fine defence with Mick Peters outstanding in this category. For Raiders Glen Bodnar came close with some good dashes. The second game of the morning saw Tigers give Cougars a fright before settling for a 1-1 tie. Tigers took the lead early in the second half and held on grimly before conceding a penalty. Kent Kennedy scored from the spot to clinch a point for Cougars. Two fine team efforts made this an enjoyable game for the spectators and a satisfying one for coaches. Ed Patterson and Rod Watson.

SUNDAY: Playing in a game rained off on Tuesday Jaguars gave their best display of the season in holding Rangers to a 0-0 tie with an outstanding effort. Rangers played good soccer too but neither team could manage the tie breaking goal. Again in this one neither coach could pick out players for special mention as the boys settle down to sound positional soccer.

PEEWEE

MONDAY: Some fine wing play was seen in the Beavers. Jets 1-1 tie as John Butler for Beavers and Grant Bodnar for Jets both showed good ball control and speed and entertained their supporters with exciting rushes. A tie was a fair result in this well played game. Robbie Dubien showed good anticipation and speed for Beavers while Doug Duchin and Dob Davidson played solid defence for Jets.

WEDNESDAY: Wolves' coach Bob Marshall blamed bad finishing for Wolves 2-1 loss to Unit-

ed in another excellent PeeWee game. Mickey Osborne and Mike Magdy were the pick of the Wolves who were in contention until the final minutes when Kevin Reeks scored the winner for United. FRIDAY: Carretal lost another heartbreaker with an own goal giving a 3-2 win to Arsenal. Both coaches have their boys playing good passing games with quick thrusts at goal making for lots of excitement and thrills Bruno Knoepfl made these breaks for United, B. Fortheringham replied in a like fashion for Carretal.

Some Tips on Where To Fish for Muskies

The year's longest day and the 1st day of summer has come and gone. But what has happened to our weather. Everyone is talking about it. It affects every outdoor sport. Fishing is one of them. Of course there is always some species that will co-operate for the angler regardless of the elements. Today (Monday) seems ideal for the sport. Last season in early May I creeled two nice specks at Terra Cotta Conservation area. It was a very cold day and snowing a blizzard they were both caught at the over flow on a maribou streamer. I was fly fishing with gloves on. So perhaps there is always some way regardless of weather.

In this column I would like to say hello to Mr. and Mrs. Ian Presgrave up there in Sault Ste. Marie. We are pleased to hear you enjoy reading The Herald and the Outdoors Column. Best of luck to you.

WATERPROOFING MAPS

Topographical maps can be preserved by saturating them in boiled linseed oil. Brush it on, give several days for drying. After this treatment they can be spiced, rained on or dunked in the drink.

Next week end is the big one, so best of luck in every way to everyone going North and elsewhere.

MUSKIE WATERS, NORTH, EAST AND WEST

Port Severn below and above the locks. Nearby Sturgeon Bay and Marshall Island area. Also big shoals out from Victoria Harbour and Port McNichol Parry Sound, Pt. Au Baril, Bying Inlet. Also Lake Noshonung just south of North Bay is top Muskie water. Leo Gauthier of that area is known as the Muskie king he is also a profession at guide and writer on the sport.

WESTERN

Rice Lake is tops for the Tippers, also Big and Little Buckhorn, Balsam, Stoney and Sturgeon Lakes also Stone Lake. Many more lakes in the east are good. The St. Lawrence River is really tops, over the years. It has given up many big Muskies over 60 lbs in World Record class. Len Hartman who comes out from the USA side is known as the Muskie King down there. Like Leo Gauthier he is also a writer on the subject. Do as they tell you to do and you will be a top notch Muskie fisherman, if you want to be. If not you will at least catch them.

NEW MEMBERS BOOST LAWN BOWLING INTEREST

The mixed trebles drew rinks each from Guelph, Streetsville, Milton and the local club, with Guelph taking top honours.

Rain forced cancellation of the tournament after two games.

Art Cleveland's rink and Bob Samuel's rink, both from Guelph, placed first and second in two game wins. A Streetville rink, skipped by Henry Pickett, was high one game winner.

Last week, rinks skipped by Harry Moss and Oliver Hunter competed in the provincial rinks at Port Credit, but the opposition proved too good and they were eliminated from further competition.

Both men's and women's sections have an increase in membership this year, and the club is inviting new bowlers to come out and try their luck at the Edith Street greens.

Don Whitting was the winning pitcher in the Cycle and Sports - GF encounter which kept the winners four points ahead of their pursuers.

On Sunday, General Fireproofing had leaptfrogged over Combines by beating them 13-8 after trailing in the early stages.

Other industrial fastball action last week saw GF beat Er in 11-8 and Exchange House down Standard Products 10-8, and take Benson and Hedges 15-8. Home runs by Haines, Marshall and James aided the latter cause. Bill Robson was the winning pitcher in both cases.
