

WRAPS OFF A & P

The line of shoppers strings out across the parking lot at the new A&P supermarket on Sinclair Avenue on opening day. Large crowds swarmed through the spacious new store Tuesday, June 17th taking advantage of the opening day specials, and many shoppers were so eager to inspect the modern market a crowd formed outside the doors before 9 a.m.

Georgetown A&P supermarket manager, Alan Marshall, described the store's opening as 'most successful'. The large volume of shoppers which marked the first day continued throughout the balance of the week.

Speyside Athletes Win Beaumont Knitting Trophy

Speyside school copped the championship with 111 points when Esqueping Township junior schools held their final field day at Georgetown park, Wednesday, June 18. Any future field days under the jurisdiction of the Halton County Board of Education will likely be on more regional in their aspect and encompass a different group of schools.

In capturing the title Speyside earned the Beaumont Knitting Mills trophy, presented by Ralph McKeown.

Norval school was second with 90 points, Glen Williams had 87, Pineview 80, and Limehouse 68.

Despite the overcast skies the events ran smoothly due to the work of the committee chaired by Jack Reed, principal of Glen Williams school.

Summer Recess For Sorority

The last meeting of the season of the Zeta Alpha Chapter of Beta Sigma Phi was held at the home of Mrs. Iris Usher, 4 Jessop Court. Following the business meeting Mrs. Dorothy Currie and Mrs. Dorothy McCarthy presented the program for the evening entitled Let's Match Wits. Several skill testing games were played and the evening ended with a meal of Chinese food.

NEW EDUCATION IDEAS OUTLINED TO INSTITUTE

Silverwood Women's Institute adjourned for the summer following their June 12th meeting at the home of Mrs. George Henderson.
 Eric Balkind, supervising principal for Esqueping enlightened the members on new ideas in education. 'Living and learning' is a far cry from even ten years ago they found.
 He said integrated learning, rather than single subjects, is easier to absorb and involvement rather than regimentation is happily accepted. Communication and social awareness help produce citizens who care, he observed.
 Many questions were asked and answered and time passed quickly with this interesting subject.
 Mrs. H. Marchington, president, was in charge and past president Mrs. Henderson was presented with a carrying case for papers. Mrs. Carmichael reported that the annual picnic, which she will convene, will be at Smallwood Acres on July 10. Miss Moore, education convener, was program chairman and roll call "Who took you to school on the first day?" brought interesting and humorous replies.
 Mr. G. Burgess enjoyed a few days visiting relatives in the Oshawa district recently.
