## Five All Star Teams are Doing Well in Baseball

The Georgetown All Stars, from Tyke up to Juniors have all had four weeks of Halton County under their belt and are averaging better than 500 hits with the remaining two coming close. The Georgetown Tykes are again sponsored by Armstrong Bros. of Brampton under the management of George Webster. They have a three win four loss record. Coach Ron Ritchie is pleased with the way the team is becoming stronger every game.

The Pee Wees are again sponsored by Alcan Colony Construction and are starting to find the win column after losing 3 straight games by one run. Carl Peterson is the manager and Manley Densmore is the coach.

The Bantams are a big team this year, playing hot baseball and are mostly in the win column. The local company of E. W. Bliss Co. Ltd. (Eagles) are sponsoring the bantams and this has put a smile on faces of manager Gord Inglis and coaches Bob Freestone and Jim Beckett.

The Midget team is back from their successful season last year minus only 4 players. Manager Bud James and coach Jim Pearson have the team working hard as rain has played havoc with their schedule. Cafagna Bros. are sponsoring the Midgets this year after a six year run by Phillips Chrysler Dodge of town. The in. then out, then in again Juniors are currently in second place in their league with a five win three loss record.

Rookie coaches Mike Tost and Wayne Densmore are doing a fine job filling in for manager Bill Richmond when he is unable to attend. The Juniors are sponsored by Elmford Construction.

From now until the third week in August the ball park will be buzzing with constant activity as the schedule load now increases with school out. There is a ball game every night of the week with the exception of Friday. Tykes play Saturday morning and Midgets Sunday afternoon.

Tom Bunce started the game and went the route for the win. Waterdown again out-hit the locals by four to three. Rick Peavoy, Brian Peavoy and Joel Tost each collected a single.

## Six Teams Entered In Softball Tourney

A Junior girl's softball tournament this coming Saturday, July 5, will be one of the highlights of the year for the Kinsmen Girl's Softball League. Chairman for this event is Kinsman Art Ellis.

The tourney, a first for the league, will focus on the 10 to 12 age group. The six teams vying for the championship will be Glen Williams, Moffat, Limehouse, Hornby, and 2 from the Georgetown loop. The town entries are a composite Dairy Queen team, coached by Pat Butler and Wilson Hatcher, and a Cycle & Sports team coached by Stan Walsh and Jack Handy.

The tournament will feature a 2 game elimination with individual trophies awarded to the survivors.

Games start at the main park at 9 a.m. Saturday with matches every 1 1/2 hours following. The first round sees the Glen meeting Cycle & Sports, Moffat vs. Hornby and Georgetown Dairy Queens tackling the Limehouse entry.

A refreshment booth staffed by senior players will cater to the needs of the ball buffs. A good day's entertainment is promised and hopefully a large following will come out to support their favourite team. Admission is free.
