

Big Crop of Moose Calves Makes Fall Hunt Look Good

The big storm missed us last week. So how lucky can we get. It blew us some cool weather anyway. One hundred M.P.H. winds tore up trees four feet in diameter. Saturday, July 5th was my birthday. I remember it well 38 years ago. It was a very hot day. Quite a contrast to the weather so far. One and a half years later I fell head first into a rubbish fire in our backyard on King St. I just about roasted. It's not much wonder I double check my cigs and matches every night before going to bed. I'm allergic to heat, I guess.

LUCKY ANGLERS
Roy Wiggins and Norrie Brown, Victoria St. Bay, have been having good luck in the Pine River area. Speckled, Rainbow and Browns are the species of trout they caught. Roy knows the Pine very well. More than often his limit of trout has been taken from these waters. Norrie also has had very good success there. One branch of the Pine River comes from Terra Nova area, the other starts back of Shelburne area and flows down through the hilly Hornings Mills district. It flows into the big Nottawasaga River at Angus. These waters are noted for their big spring Rainbow trout.

Mr. and Mrs. Don Wilson and family of Ashgrove came back from Englehart recently. They had spent holidays there with friends. Don spent some time angling for pike. His luck was good but the big ones were lost. A heavier line is the answer. A big pike with his sharp teeth can sever a light line very easily.

MONARCH HUNT CLUB LUCK
Harold Bennett, Walt Richardson, Herb Roshier, Bill Hyde, Clarence Spence, Bill Ritchie, Herb Wiles, Will Breen, Gene Roshier and Bill Henderson were on a fishing binge near Westel at the top end of the District of Sudbury. They had very good luck with Pike. Most of these anglers are members of the Monarch Hunt Club. They hunt moose there every fall. Two moose, 2 bear, 1 lynx and 1 deer were seen during their stay. It was the first deer seen in the area by Harold Bennett in nine years. The conservation officer of that district informs the club members that a good crop of moose calves are in the area. Sounds good for the fall hunt.

DOUBLE HEADER DOUBLE TROUBLE FOR GLEN MEN
Rain put the damper on what promised to be a keen fastball tilt between Glen Williams and Norval Friday. Both local clubs have lost in recent tests. Norval's record has slipped to six wins against seven losses, and the Glen failed to take advantage dropping both ends of a double header with Hillsburgh Sunday.
The first game ended 5-4 in regular innings, the second 6-4 in extra innings.
Guelph leads the Intercounty Fastball League followed closely by Hillsburgh. The Glen Norval and Rockwood are bunched while Belwood trails.
Guelph will be in the Glen park Sunday night playing Norval who will be sporting their new Shell uniforms.

99 BLACKBIRDS
Jim Paynter of Arletta St. told me this one. I believe it happened in New Brunswick where Jim comes from. It's a true story. The starlings were causing a lot of damage to fruit trees belonging to a friend of Jim's. He loaded up his muzzle loader with a large charge of fine bird shot. When the smoke cleared away he informed Jim that he had killed 99. Jim said, "Why don't you say 100 and leave it at that." "What?" exclaimed the shooter. "Make a liar out of myself for one measly starling."

RECIPE
Dress starlings same as you would quail. Cover with bacon strips. Sprinkle with salt and pepper. Add a slice of onion. Place in roasting pan. Roast to a light brown. Baste with drippings to which a touch of vegetable oil has been added. Green parsley and watercress make a suitable garnish. Serve with mushroom soup. A dash of red wine won't hurt. Serve two starlings to a person. They go good with beer.

GREETINGS
I would like to say hello to Mr. and Mrs. Hugh McNally of 637 Milverton Blvd., Toronto.

TROLLING FOR LAKERS
When trolling for lakers, use a 3-way swivel. A bell sinker as a dropper; your favourite lure trailing above. This method takes you down fast to a sharp angle. The weight ticking bottom allows you to follow the bottom in small lakes where you have a limited amount of deep water.

MUSKIES
Troll fast, use a business-like muskie lure. Keep fishing and you will be rewarded with a light line. Remember it doesn't take one thousand dollars to catch one.
That's all for this week.
Tight lines until next time.

GEORGETTES MAKE IT 6
It's six wins in a row for Georgetown Georgettes who are setting a sizzling pace atop the Oakville Ladies' Softball League.
The locals swamped Waterdown 21-1 Thursday, when Eagles played Scrouge with the opposing batters.
The week before, the Georgettes gave the same treatment to Bronte Lakeshore Esso, 24-4 spanking.
Their scheduled meeting with Burlington Friday was washed out.
The girls are at home tonight to White Oak Texaco.

LEAD TWO INTER-CLUBS

Hillsburgh Best of 8 Glen Fastball Tourney

Hillsburgh slammed Glen Williams 9-4 in the final game to capture the Glen men's fastball tournament in Glen Williams Park, Saturday. Eight teams took part in the tournament, the second annual sponsored by the Glen men's team of the Intercounty Fastball League.
Donaldson was Hillsburgh's winner. Joe Shaw started for the Glen but was lifted for Tex Leybourne.
The Glen started well scoring runs in the first five innings, but went hitless and scoreless through the last four. Other local entries didn't get started. Norval was shut out

Glen Williams looked like good bets to win their own event when they thumped Georgetown 12-2, and then edged by Lowville in an extra inning decision determined by base runners.
But Hillsburgh, winners over Belwood and Rockwood, had the momentum and were worthy champs. The final game was close until the sixth frame when Hillsburgh pushed four runs across on four hits including a triple by Tett.

Bantams Win One Then Are Thumped
Burlington baseball bantams chose their game with Georgetown Eagles Wednesday, July 2 to break out of their slump. They walloped the locals 12-2 outthitting them 10 to 5.
The game was decided in the fifth when Burlington gave up with seven big runs. Georgetown hitters were given a bad time by Burlington fielders who made some great defensive plays to back up their pitcher. It was Eagles fifth loss this season.

Tuesday, July 1, Georgetown won a well played ball game over Brampton bantams 2 runs to 1, their seventh victory.
Gord Williams chalked up 11 strikeouts and gave up only four hits in earning the win.
Georgetown had five hits, two off the double and a triple by Wayne Farrow. The other hits were by Bert Osborne, Brian Beaumont and Gord Williams.
