

200 Youngsters Enjoy Terra Cotta Fish Derby

Pit two hundred youngsters ped the competition and just with fishing poles against 200 made it an outing for young anglers.

Those catching fish received certificates, and all taking part got conservation week buttons. Three Anglers and Hunters Club members were on hand to assist the novices and two St. John Ambulance women stood by in case any of the fishermen hooked themselves.

Though no winners were declared because of starting time mix-up all involved agreed they had a whale of a time.

Fish were caught by Cindy Rutherford age 7 of Dundas, Benny Kobylinski, age 8, also of Dundas and his sisters Carey and Tracy, ages 6 and 3; Bob Murphy, age 11 of Port Credit; Jim Smilie age 10 of Clarkson; Rodney Everson, age 6, Terra Cotta and Tommy McFadden, age 12 of Manhattan. Tom is one of the 35 Harlem children visiting Georgetown and area families.

In all 25 trout between 10 and 12 inches in length were taken from the little lake.

None of the 190 youngsters who attended the fish derby from day camps at Mississauga and Terra Cotta had any luck. Both groups' buses were late in arriving, and so that the other children entered wouldn't be kept waiting, conservation week co-ordinator John Weakly drop-

Atoms, Mosquitoes in 'Ontario Cup' Games

by Ivan Bird

The Atom and Mosquito representative teams both continue in their respective divisions this coming week-end at Cedarvale.

On Friday evening at 7.30 p.m. the Mosquitoes host St. Catharines and on Sunday at 4.00 p.m. the Atoms take on St. Andrew's Plasterers from Scarborough. These matches should prove to be excellent entertainment and all soccer fans are invited to come out to cheer the boys on.

Last Tuesday the bantam 'A' team, the Marauders, defeated the 'B' team by 2-0 in an excellent, hard fought soccer game. Both teams gave good constructive displays despite being short-handed. The score was a fair result as Marauders just had a territorial edge.

The 'B' team made up for this loss on Tuesday when they thrashed Streetsville 'A' by a 7-3 score. All the fine passing plays of the 'B' team clicked in this game, which was their best display of the season.

Our Junior 'B' team, due to unfortunate circumstances, had to play Alderwood with only nine men and wound up on the wrong end of a 5-0 score. However, both the Alderwood coach and the referee praised the team for their outstanding sportsmanship. Ray Macauley playing in goal, an unusual position for him, gave a great display while Billy and Gordon Barclay and Dave Foster came very close on several occasions.

Future Games

Thursday, July 17 — Bantam 'A' vs. Bantam 'C', 7.30 p.m.
Friday, July 18 — Mosquitoes vs. St. Kitts, Ontario Cup, 7.30 p.m.

Kinsmen Girls' Softball

by Mary Cooper

The ball season has reached the half way point for the young ball buffs of the Kinsmen. Parental support is running at its usual low, but the girls remain enthusiastic and the turnouts are good. As usual, we ask the parents to please attend and support their favourite player and team, and find out what the League is all about. If you have any questions, ask the coach — after the game.

Unfortunately, some of the fans that are rooting are on the negative side, and are making it rough for some coaches and particularly the umpires.

We ask, please, that everyone remember that these people are donating, free, many, many hours of their time to the girls and are happy to do it. So if you can give them your support, cheer positively, or sit quietly, we will be happy to see you. If you can't, then you are easier to replace than the coach or umpire.

JUNIOR LEAGUE

TUESDAY, JULY 8th

Shoptite 5c to \$1 Store: 15

Zenith Tool and Die: 7

The first three innings appeared a match for equals. The 1-1 score broke in the 4th for Shoptite when they met Zenith's two additional runs with five of their own. A heavy hitting 5th assured them of a 2 point gain in the League standings.

Susan Power was chosen game star for her strong defense of Shoptite's second base. She also hit a homer on the 1st Zenith pitch of the game.

Others on the homer list are Shoptite's Tina Warren and Zenith's Julia Phillips each with one.

Murray Motors 21

Mardell's Hair Styles 6
Murray's pulled their first wind from the bag as these two previously winless teams met. In a good steady hitting game that went Murray's way from the first inning pitcher Patti Holotuk evolved as the star.

One home run was scored for each team, Lynn Scarborough for the winners and Sandy Mundy for the losers.

Kinette Kruisers 10

Robyn Alcorn, first batter for the Cyclists started her team off to a flying start with a home run in the first inning. They were matched by the Kruisers in the bottom of the inning and for 4 sets the even match held. But the Kruisers broke free of the tie by trotting nine more across home plate.

GOOD SUMMER ENTERTAINMENT

Want some recreation these warm summer evenings? How about taking in one of the Giants' baseball games in the park? This is a common scene as the battle of wits between pitcher and batter shapes up. The Giants are at home next Wednesday and again on Sunday, July 27th.

In the next three innings, 3 of which were homers off the bats of Helen Thibodeau, Donna Peacock and Brenda Gopsill.

In spite of only 1 win thus far, determination took another big one, and high spirits rule the camp of the Cyclists. If enthusiasm helps, they'll pull off a two pointer very shortly. Good luck, girls.

Game star in this effort was winning pitcher Curry.

Beaver Lumber 7

Superior Foods 3

The eager Beavers' hold on to their unbeaten string of 5 wins as the Butler-Barber combination went to work on Superior's.

The defensive playing of this pitcher-catcher duo is the 1st problem the opposition meets. In this game, they held the Marketers scoreless for 6 out of 7 innings, allowing all three runs in the 5th.

Superiors Joy Howat hit a home run driving 1 base runner across the plate, and was followed home by Sherri Chisholm in their only scoring spurt. In the long ball department, the same names crop up, two for Margo Butler and 1 for Carolyn Barber. Margo was awarded the game star for her excellent playing and full 7 inning enthusiasm.

Georgetown Upholstery 31

Dairy Queen 1

Both teams continued their perfect records for the year — one for the better and one for the worse. Georgetown Upholstery held on to a first place tie with Beaver Lumber by delivering another loss to the winless Dairy Queens.

A league record was also set for the number of home runs in 1 game. Upholstery pitcher Kathy Oprica belted no less than 5 homers in 6 times at bat, the other one being a mere 3 tagger. Teammate Lori Ann Sherk also appeared in the honner column with 1.

An excellent night defensively on 3rd base for the Queen's gave Julie Phillips the game star. Julie had several flies popped her way and nailed everything but the 3rd base coach.

Junior Homer Run Queens

In the battle for the special trophy, a close battle between Carolyn Barber and Kathy Oprica is evolving. Kathy now has 11 and Carolyn 10. The third place with 7 is Beavers' Margo Butler. The season hits the half way point on the 15th and this battle promises to be an interesting one to watch.
