Soccerists Take a Deep Breath—Plunge Into Season's Second Half

The second half of the season started off at a lively pace last week producing some surprise wins and the departure of the Atom representative team from Ontario Cup competition after a good run.

Cedarvale was in excellent condition, for the opening games and looks to be quite capable of lasting the season despite the volume of games played there.

ATOM
Monday The first game proved to be a happy one for Falcons who played their best soccer, to defeat the Astros 1-0 record their first win.

The proud goalscorer was Richard Hewitt and the shutout went to John Cooper who played an excellent game in goal.

Brian Scott and Greg Townsend played well for Astros but the Falcons hung on grimly for the win.

Friday Flyers came back in fine style to maintain their league lead in a 4-1 decision over a Wildcats team which was closing in on the leaders.

Four good goals were scored by Flyers in the fine team performance with Robert Donaldson getting two.

Wildcats worked hard but had trouble finishing. Gord Miller scored their only goal.

Saturday The representative team finally met their match in a strong Scarborough team going down 2-0.

They were stung quite early when a penalty goal was scored against them, but they came back in fine fashion to come close.

However, they could not score and Scarborough put in the insurance goal on a breakaway.

This was a creditable performance in the team and Georgetown can feel proud of their effort.

MOSQUITO
Tuesday Cougars showed that they are still contenders for the league title when they scored an impressive 5-2 win over Owls.

Sammy Watt and Kent Kennedy were impressive for Cougars, each with two goal performances.

J. Bishop scored Owls goals and played a good all round game in a fine team effort. Cougars were just too good on the night.

Thursday Raiders provided another upset by defeating Tigers 2-0 in a tight game.

Both teams came close early on, but the Raiders passing game started to click in the second half and Glen Bodnar popped in both goals to give them a well deserved win.

John Smith and Tommy Diamond were exceptionally strong for Raiders on defense whilst Alfred Van Dyke was a tower of strength for Tigers at full back.

Saturday It was the Raiders again in the first game of the morning playing beautifully balanced soccer to record a 2-0 win over Jaguars.

Glen Bodnar ended a good week of play with the insurance goal after David Cropper had put the Raiders in front from close in.

Jimmy Tammer played a sound game in goal for the shutout, saving a penalty in the second half when Jaguars came on strongly. Kenny Flynn and S. Sewell played good games for Jaguars.

Tigers approached their second game of the week in a different, more determined frame of mind and consequently came out winners by 5-2 over Rovers who were well beaten on the day. The game was a personal triumph for Colin Donaldson who scored 4 goals, the other goal going to Stephen Turner who chased every ball down the middle and deserved his success.

"Peanuts" McMahon scored for Rovers and played a good game, but Rovers were well beaten.

PREVIEW
Monday This was a big night for the Knopfler boys as they scored all the goals for Arsenal in their 4-0 win over Beavers. Charlie scored three of the goals with brother Bruce Knopfler scoring the other to bring Arsenal back into contention for the league title.

Wednesday United repeated their win over Carretal earlier in the season again by the close score of 3-2.

Peter Koch was outstanding for United scoring one of the goals, with Kevin Reeks pushing in the other two on good set ups.

Carretal put on a good rally in the second half to come close with Mike Deere and Bob Poole coming very close to changing the score. Goalie John Clarke also gave a good performance.

Friday Jets started on the final push for the title with a good 4-1 win over Wolves who were short on manpower due to holidays.

The Wolves played well, however, but the Jets were in good form and would have given any team in the league trouble with their play in this game. Terry Richmond was on top form for Jets with 2 goals with M. Washbourne and S. Hillier playing well for Wolves.

Saturday afternoon, the 23rd of August, sees the beginning of the association knock-out cup competition with four Mosquitoe games. The boys will need lots of support and all fans are urged to turn up.

Currie's Homer, Triple Help Oaks Crush Giants

Gord Currie of the Junior Oaks saved the day for the Senior Oaks Monday night when he crashed a homer and a triple to lead the Oaks to a 9-2 victory over Georgetown Giants, here.

Currie came up in the fourth after Bob Bishop and Dan Wigle had walked. He connected to stroke a long drive out over left field.

Then, in the fifth, with Wigle on base again, Currie slammed a triple, for another run batted in. Jack Price walked, stole second and made home on an error to Georgetown catcher Lindsay. Bob Salvisburg made base on a fielder's choice and scored on another Georgetown error while Dave Rowe made base and scored on another pair of Giants' errors.

The Oaks picked up their first runs in the opening inning when Tom Beyers singled, the Salvisburg doubled, to score him. Bob Bishop hit a single, bringing in Salvisburg.

Georgetown scored their first run in the bottom of the first inning as George Doucette walked, stole second and made home on a single by Jimmie James. James singled in the third, stole

second and scored when Dan Arble slammed a double. Georgetown came up in the bottom of the fifth, went out one, two, three and the game was called because of darkness.

Ric Fleury picked up the win striking out six Giant sluggers, walking four and giving up only three hits. Loser was Sparky McGill who struck out three Oaks, walked another three and was shelled for five hits.

TWO WITNESS AUSTIN'S ACE

John Austin of 27 Park Ave., used a seven iron for his tee shot on the 155 yard par three 15th hole at Humber Golf & Country Club, Tuesday, and his results bore out his choice. The ball bounced onto the green and dropped in for an ace.

The feat was witnessed by Mr. Austin's partner and a golfer at the green who had waved the twosome on.

A certificate from Humber Valley pro Ben Norris attested the hole-in-one.

Clinch League Title With 21-4 Victory

In their last game of their Oakville Ladies' Softball League schedule Georgetown Georgettes whipped Burlington 21-4 in Oakville Thursday. A grand slam home run in the top of the fifth inning by Isabel Kieder broke the game wide open.

Her soaring drive followed by three consecutive hits by Jane McNally, Gail Young and Judy Sheppard and a line drive homer by Ev Smith put the game out of reach for the Georgettes.

The Georgettes showed their depth to advantage during the deep season when they continued to win with only Ann Marchmont and the pitching staff of Ev Smith and Marilyn Eagles playing their regular positions.

Joe Strite and Carl Golinsky were second, seven strokes back. Ken Allan and Harry Sanderson were third.

Frank Howard and Ed Wakefield carded the best low net score, a 68 with Ken G. Allen and John Dunlop next at 68½. Ron Burton and Don Curry were third.

League Title Eludes, Now Midgets Seek OBA Honours

It took 13 innings for Burlington Midgets to score a run against Georgetown Midgets in Waterdown, Sunday, but that was all they needed to capture the Halton Midget Baseball League championship game 1-0.

The winning run, scored on a wild pitch after Burlington runners got aboard on an error and walk, was charged against reliever Jon Tost who spelled off Dale Walker briefly in the final frame when the Georgetown starter surrendered to a bout with cramps.

A second run was prevented by a spectacular defensive display by centre fielder Hugh Williams who threw a runner out at the plate with a perfect loss after making a difficult catch.

Charlie Marsh pitched the Burlington shutout.

Baseball oldtimers in the crowd heaped praise on the pitchers of both teams when it was over congratulating them on some of the most exciting hurling seen in Midget ranks in many seasons.

Detroit Tigers, who have been watching Walker for a couple of years, signed him a week ago for a training camp in June.

The marathon game, which was the last of an elimination tournament with the title at

stake, was the second of the weekend pitched by Walker. He was the winner when Georgetown beat Milton 7-2 on Saturday.

Burlington sent 48 batters to the plate, got four hits, scored one run, and struck out eight times. Georgetown batters in 46 attempts got six hits, no runs and whiffed nine times.

in the championship match.

Burlington committed four errors to Georgetown's two.

Georgetown Midgets now enter Ontario Baseball Association playdowns against St. Thomas with the first game there Sunday and the 2nd here the following Saturday. They'll play for the third game of the best of three series.
