

Kirkwood New Head Lorne Scots 'C' Coy

Captain Ian Kirkwood became the new Officer in Command of the Lorne Scots, in a ceremony at the Georgetown armoury last week. Major Orville J. Ketcheson, C.O. of the regiment, participated in the change over.

Captain Kirkwood is replacing Major Orville J. Ketcheson who has served as Officer in Command of 'C' Company for the past two years. Major Ketcheson came to the Lorne Scots

from the Essex and Kent Scottish Regiment. Captain Kirkwood has long been associated with the Lorne Scots, serving as Second in Command of 'B' Company in Brampton, prior to accepting this new post.

Captain Ian Kirkwood, left, new O/C of Georgetown-based 'C' Company of the Lorne Scots, with Major Orville J. Ketcheson, the man he replaced.

VACATE TRAILER CAMP IS ESQUESING COUNCIL EDICT

Esquesing council stuck to its original position, Monday night, in refusing the Breezes Trailer Camp, near Acton to operate as a permanent trailer camp.

After a presentation, last week by Izyyer R. Nijadlik council considered allowing the eight remaining trailers to stay the winter. A report from Halton County Health Unit changed their minds. The report claimed the water supply and the sewage disposal system to be inadequate, even for temporary summer residents.

R. Nijadlik, appearing for owner John B. Wood, stated his client was prepared to do whatever the Health Unit asked.

"We should let him know our decision before Mr. Wood spends money on the water and the sewage system," commented Cr. Russell Miller. "I understand we didn't want permanent trailers under any circumstances, and it wouldn't be worth while to spend the money just to let the people stay this year," he concluded.

"Most of the work was never inspected by the Health Unit," said acting reeve Tom Hill. "besides the by-law would have to be changed to allow this to be a permanent trailer camp."

"People have been living there without any problems," the lawyer stated, "and they have nowhere to go."

The lawyer contended the by-law was purely discriminatory, since it set aside one site which is not used as a trailer camp, to be the one site allowed in the township. "It would probably be found invalid," he

remarked, "but I don't know whether Mr. Wood would want to go that far anyway."

"How do other townships simply say 'No trailers allowed'?" asked the acting reeve.

"That may be perfectly valid," replied the lawyer, "but saying one can exist where really there never has been or will be one would probably be invalid," he added. "However, I must do more research on that," concluded R. Nijadlik.

A motion stating that the residents must be out by Oct.

Workshop Activities Told To Auxiliary

The first meeting of the season of the Georgetown Auxiliary for the Mentally Retarded was held at the home of Mrs. Lorraine Pollock, Moultriey Cr.

After the opening prayer by the President, Mrs. Ruth Mitchell, the secretary and treasurer's reports were read and approved.

Mrs. P. E. Kent, 218 Mountainview S., was the winner of the hand hooked rug which was drawn at the ARC Industries, at Hornby in July.

Mrs. Peggy Treahy, now a teacher at the ARC Industries, gave a report on the work done by the trainees. An open house will be held in the near future, date to be announced later.

Plans were made for the Fall Dance which will be held at the Riviera on Friday, Nov. 7. Tickets are available from a member of the auxiliary.

The monthly draw was won by Mrs. L. Pollock and after the close of the meeting, refreshments were served by the hostess.

Barbershoppers, Rebekahs Entertain Manor Residents

Verdun Rebekah Lodge members along with members of the Past Noble Grands Club and the Barbershoppers visited Halton Centennial Manor on the evening of September 30th, for a birthday party honouring the residents.

For several years the Barbershoppers have joined the Rebekahs to entertain the residents, an event much looked forward to when they are treated to listening to all their old favorites and always some new ones.

Forty-two residents were called to the head table and were presented with a gift from the Lodge by the Noble Grand, Mrs. Jean King. The Past Noble Grands Club served a delicious lunch of sandwiches, cookies and birthday cake.

To conclude the evening the Barbershoppers sang many favorite requests.

Proclaim, But Won't Advertise Says Council

Council reaffirmed its decision to advertise only important events when on Monday it passed proclamations supporting poppy day and the arthritis and rheumatism society.

The motion carried a rider that council would spend no money on the proclamations.

Cr. Ern Hyde, who said he had been the only opponent of a motion proclaiming fire prevention week recently said he isn't antifiremen or anti anything else, but doesn't agree with paid proclamations except for such things as civic holiday.

Mayor Emmerson agreed and said advertising should only be done when a proclamation would serve a certain purpose.

"I hope this ends a controversy on which we have already spent too much time," observed Cr. Donna Denison.

Likes Georgetown Says Contracting Firm Head

One of Georgetown's newer contractors left Toronto a year ago to establish here.

"I chose Georgetown," Syd Heller told The Herald, "because of its excellent location, friendly atmosphere and the growth potential, both in housing construction and industrial development."

Mr. Heller carries on a general contracting business and specializes in poured concrete basements and septic systems.

His firm operates as Shelton Construction and Ulrich, Enn, who has over a quarter century of building experience, is his supervisor.

Mr. and Mrs. Heller and their three children are living at R. R. 1, Georgetown.

Tests Confirm It Gals In Better Shape

Results of a minimum muscular fitness test conducted at the Georgetown Fall Fair, Saturday, showed that the girls tended to have better muscular fitness than boys.

The test, known as the Kraus-Weber Minimum Muscular Fitness Test, was conducted by the Georgetown YMCA-YWCA.

All normal children and adults should be able to easily perform all of the six tests involved. Failure or difficulty in any test indicates muscular weakness meaning the individual will have difficulty with that particular area of their body in the future.

The greatest number of boys showed weakness in the back muscles, followed by poor flexibility, that is, and inability to touch fingers to floor with straight legs which frequently indicates tension.

Twenty-two boys and 16 girls volunteered to try the tests. Of the boys 73 per cent proved efficient and 32 per cent failed. Of the girls, 56 per cent proved deficient and 19 per cent failed. The average was a defi-

ciency rate of 66 per cent and failure rate of 26 per cent.

Test results (percentages):

F—Failed; D—Deficiency.
Boys: Flexibility, 32 F, 73 D; abdominals, nil F, 14 D; back 9 F, 40 D; hip flexors 5 F, 30 D; two areas, 4 F, 40 D; three areas, nil F, 4 D.

Girls: Flexibility, 13 F, 25 D; back, nil F, 25 D; hip flexors, 6 F, 25 D; two areas, 13 F, 6 D; three areas, nil F, 13 D.

Boys and girls average: Flexibility, 21 F, 32 D; abdominals, 5 F, 13 F; back, 5 F, 34 D; hip flexors, 5 F, 27.5 D; two areas, 8 F, 24 F; three areas, nil F, 8 D.

One factor should be kept in mind when assessing results. Those children who felt they were fit and who already participated in sports were the ones who wanted to be tested. Those afraid they were unfit or who had no interest in physical activity usually refuse the test.

The testing at the fair therefore tended to be a test of the more fit children.

71 Donors is Red Cross Score at Fair

The Red Cross booth in the armoury at the Fall Fair was staffed with volunteers: Mrs. Erica Thompson, Mrs. Dora Sutherland, Mrs. Ruth Jones, Mrs. Ann Gray, Mrs. Jose Foot, Mrs. Linda Cliphsham, Mrs. Mae Legere, Mrs. Flo Street, Mrs. Fay Morton, Mrs. Doreen MacDonald and Mrs. Pearl Stutard. Mrs. Blanche Goudeketting and Mrs. Connie Niewhof mainly worked at the main gate of the Park.

Home Nursing course which is planned for January 1970.

Ontario Dairy Princess Miss Lorene Archdekin of Norval and Shorthorn Lassie, Miss Norma Leslie of Acton, who visited the Red Cross booth, signed up as blood donors.

Many Fall Fair goers stopped to see the Red Cross display, where the children received Red Cross pins and stickers.

These ladies were able to register 71 new blood donors. Also 18 persons signed up as telephone canvassers. They will with other volunteers take turns in phoning a list of 20 donors, who are already registered with the Blood Donor committee. More volunteers to help with this important task are urgently needed as there are approximately 1,100 donors who will have to be phoned 4 times yearly.

Social & Personal

Miss Freda Herbert, 43 Edith Street, is home from a trip to Britain, where she visited in London, Hampshire, Edinburgh, and the island of Islay. She attended the wedding of a relative in Durham during her visit.

454 More People Now in Esquesing

Esquesing's population increased by 454 last year, Assessment Commissioner A. W. Benton, told council Monday night, and now stands at 9,059.

The assessment rose by \$1,200,000, making the present total assessment \$17,388,782. Only 33.8% of Esquesing is now assessed as farm land, while 31.6% is listed as residential and 12.6% as industrial.

Almost half the population, 4,401 is in the 20 to 59 age group, but only 722 are sixty or over, leaving 3,636 under twenty.
