FRIENDLY PERSUASION

MANCHESTER, Conn.

Two women running for town treasurer finally leave their husbands in their political corners. The men switched their party affiliations to those of their wives. Paul Tucker, husband of Democrat Ruth Tucker, went from Republican to Democrat and Raymond Quish, husband of Republican incumbent Rosalind Quish, changed from Democrat to a Republican.

WELCOME THEM WARMLY

A friendly call is always welcomed by newcomers to your neighborhood. They'll be happy to meet you. Later, they'll want to know you better. But right now, they need something more—directions to the nearest schools and shopping facilities and all the other information one needs on arriving in a strange city. So make your welcome a little warmer with the help of a Welcome Wagon hostess. She'll provide all this and gifts as well. When new neighbors move in, call Welcome Wagon. You'll be glad you did... and they will, too.

Hurray for Tom Ballantyne! He just sold his house to an old friend.

Uh... a former old friend.

Poor Tom. The negotiations were so hectic that the friendship came to a heated end. He could have avoided this by seeing a Realtor. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the Canadian Association of Real Estate Boards. He is specially trained to smooth over the many details of selling a house. Sell your house the friendly way. Look for this seal, which only a Realtor may display.
