

# Georgetown's Air Cadets Best First Year Squadron

by Ralph Hewes  
The times and pace in which we live tend to create an atmosphere of mistrust throughout the world. Riots, wars, demonstrations against authority seem to have become a way of life. There is much dislike, hate and spite. Our young people are looked upon askance. Then something happens which causes one to have faith anew in his fellow man.

It happened last Saturday when four friends of ours returned from the 28th Ontario Provincial Committee annual meeting of the Air Cadet League of Canada. Colin Cousens, Bud Fitzsimmons, Russ Stephens and Dave Taylor were bursting with pride for a group of young people, namely 756 Georgetown Legion Squadron Air Cadets. The squadron was the recipient of the George Moir trophy for the best first year squadron in Ontario. The trophy had been presented to Lt. Colin Cousens at the annual meeting. A tip of the hat to the officers, instructors and sponsoring committee who give their time to make such things possible.

committee room is stacked high with cartons containing poppies which Gord Reid hopes will be sold on Saturday, Nov. 8th. Gord is still in need of help to distribute the poppies and he is looking to the membership for that help. Branch service officer David Bowman wishes it to be known that Mr. Clare Wall, Provincial Service Officer will be at the Branch for an interview with him on Wednesday, Nov. 5 from 3.30 p.m. Veterans who wish should contact David.

The Branch has a new supply of First War Medal ribbons available. Should you need new ribbons, contact president Henry Hale.

The Henry Sheppard trophy is up for grabs again on Saturday, Nov. 1. This year the shoot will be at the Hunters & Anglers on the 8th Line. Bruce McCartney is going all out to win the trophy back from the Lorne Scots. If you feel you can hit the bulls eye, put your name on the list on the sports board.

### Auxiliary Grow

The membership of the Legion grows. At the October General Auxiliary continues to meet, four new members were accepted: Dorothy Perkins, Gall Scarborough, Margaret Hodder and Helen Cloutier. Seven new members were initiated.

Last Thursday saw the Branch Ladies at Milton where they joined the ladies of that Branch in celebrating their 25th birthday. Entertainment and supper was enjoyed by everyone. Kirk Brush, a young man who is well known for his highland dancing at Branch 120, entertained the ladies with his amazing skill. Kirk has just returned from Scotland where he won many prizes in highland dancing competitions.

Edna Rippon, Lottie Bottoms, Mary Cox, and Ann Nicholson and Zina Bull returned to the Branch bearing prizes from Milton.

Don't forget the social at Streetsville Thursday, Oct. 23. Also remember the bazaar on Saturday.

## MAYOR'S BROTHER DIES IN ACTON

Georgetown's mayor, Wheelon Emmerson, and Steve Emmerson also of town were saddened Monday by the death of a brother, Robert, of Acton. He was 56.

His death, the result of a sudden heart attack shortly after Sunday midnight also left bereaved another brother, Jim, of Brampton and three sisters, Mrs. Albert Tost, Georgetown, Mrs. George Teasdale of Brampton and Mrs. Edna Mushlain of Beachville.

Born in Illinois, Mr. Emmerson came here as a young boy with his family in 1926 and was raised in Georgetown. He also worked here for a while before marrying the former Lena Massey of Acton in 1935 and moving there.

He also leaves seven children and 13 grandchildren.

The funeral was Wednesday at the Rumley-Shoemaker Funeral Home in Acton and interment was in Acton cemetery.

## Linda Carbonetto Star in Ice Capades

Free-Style skating title. Because her father is a member of Canada's foreign service, Linda has spent most of her life in Europe and the United States. Though she showed exceptional promise at an early age, it wasn't until her family returned to Canada in 1968 that she began to take skating seriously. Under the skilled guidance of Toronto's Ellen Burke, Linda became one of the top free style skaters in the world. (Quite a success story for a girl whose first skating experience as a child was therapy for weak ankles.) Linda Carbonetto's dynamic performance will be a feature of the Ice Capades Show from November 3rd to November 9th at Maple Leaf Gardens where tickets are now on sale.

Appearing in this year's Ice Capades Show at Maple Leaf Gardens is a special thrill for 20 year old Linda Carbonetto. It was here, last January, that she won the coveted Canadian

### 21 New Members

Friday's initiation night was one of the more successful of such nights. Twenty-one new members, including five lady members, were admitted into the Royal Canadian Legion. A large number of Branch members and their ladies were on hand to witness the ceremony which was followed by a dance and buffet supper. Chairman of membership Norm Ward and entertainment chairman Russ Stephens had cause to feel happy.

The Branch initiation team under the watchful eye of Sgt. at Arms Harry Bottoms was as always perfect. There was no darts downstairs but Russ made his draw and the five lucky ones were W. Mair, S. E. Johnson, O. Nuttal, W. Hewitt, J. G. Finlay.

Pat, Ways and Means, Chamberlain, is experiencing some busy Saturday night dances of late. This last Saturday was no exception. The hall was full to capacity.

### Stacked Night

We noticed that the Branch

### Safety Still Rests With Driver—Scott Tells LCW

Despite the many safety features built into today's cars, the great measure of responsibility still rests with the driver. That's what driving instructor Ted Scott told the October meeting of the Georgetown Local Council of Women when they met Friday in the committee room of the Halton and Peel Trust & Savings building downtown.

Speaking on "defensive driving" the former police traffic officer said defensive driving means exactly what it says — "driving to protect yourself by being always on the alert for other drivers' mistakes, and always being sure you're doing the right thing yourself."

In emphasizing the responsibility of the driver he cited the general reluctance of drivers to make use of safety belts. The use of safety belts reduces the chance of death in an accident by 60 per cent. He also pointed to the frequent disregard by drivers of traffic signs and common rules such as not passing on a hill.

Much of Mr. Scott's address held value for riders as well as drivers. He outlined procedures for a passenger to follow when involved in an auto collision.

He warned drivers of the special menace of bicycles on the highway, and in conclusion urged all drivers to keep their car in top condition with periodical check-ups — one of the best ways to contribute to their safe driving potential.

A question and answer period followed the talk, and Mrs. Clarence Hayes thanked Mr. Scott on behalf of the council.

Mrs. Anne Pritchard opened the meeting with a call for silent prayer, after which routine business, including correspondence, was disposed of. Conventions reports were heard from Mrs. Floria Nodwell for conservation, Mrs. J. Nieuwhof for the Safety League of Canada, and, in the absence of Mrs. Doris Sutherland, Mrs. Nieuwhof also gave the Red Cross report.

### DUPLICATE BRIDGE

A large crowd played duplicate bridge in two divisions at the Georgetown Duplicate Bridge Club's Tuesday night session in the Legion hall last week with the following results.

Section One  
North - South Winners  
Don Whichelo, Richard Raymond; Mike Lorusso, Dick Prust; (tie) Mrs. Thomas and Mrs. McTaggart, R. Frid and Ted Kendrick.

East - West Winners
