

Eighty New Donors Give Their Blood

Eighty new donors went away towards pushing the Cross Blood Donor Clinic Holy Cross auditorium, Monday to a new record. Total out was 364, 33 of which rejected making 351 donors.

was the largest December clinic ever held here. of the 80 new donors, 43 giving blood for the first time. The balance had donated previously at out of town clinics.

thirty-five teenagers gave a good omen for the success of a high school blood drive which is being planned February 25. It is being organized by the students, and open to high schoolers 17 years of age and up. Seven year olds will require parental consent.

DONOR CAMPAIGN. Red Cross officials credited a large number of new donors in all out promotional campaign which included the booth

at the fall fair, announcements by the clergy, posters, pamphlets at some of the local stores, Herald advertising and spot plugs on cable television.

A Georgetown Red Cross branch spokesman said they had hoped local commuters would take better advantage of the late afternoon hours. The continuous operation of the clinic from 1:30 to 8:45 allows commuters to make their visit on their way home from work saving them the inconvenience of going out again after supper.

The turnout between four and six was very poor.

NEW MEANING TO CONSERVATION

The space age has given new meaning to conservation. Suddenly we see that conservation has become the effort to keep earth as alive as possible, and as different from a moonscape as we can keep it. A look at the moon is a view of the sort of countryside that the conservation effort seeks to prevent.

Marg Bratkin Hopeful To Represent Zone In All-Canada Bowling

Three Georgetown bowlers are among 21 women bowlers from this zone currently engaged in rollofs to determine who will progress to the Eastern Canada rollofs in Peterboro. And one of them, Marg Bratkin, is well on her way to taking top honours.

Two of the three Sunday sessions have been rolled and if Marg makes her 278 pin lead stand up in the third round in Guelph this weekend she'll be Zone's candidate for the Eastern Canada Women's singles title.

Last year she was in the Eastern Canada rollofs on the zone's mixed team and the year before made the women's team.

The top nine will be taken to the next level. Elsie Edmondson is currently fourth and Laura Treble, the other Georgetown bowler, is farther back, but can still catch a spot on the team.

Contestants have to bowl 30 games, 10 each Sunday.

To Serve Mormons in Swiss Mission Field

Peter Gothe is heading for Switzerland, instead of the University of Western Ontario, where he will serve in the mission field for the Church of Jesus Christ of Latter Day Saints.

The 18 year-old, R R 1, Georgetown resident, was in the news six months ago for academic achievements at his school Kipling Collegiate Vocational Institute. He was an Ontario scholar there and received a silver shield for other proficiency, mainly in the field of music and languages.

At that time his plans were to study languages at the UWO school of translators and interpreters.

Since then he has set his sights on serving in the mission field. Working as a mail carrier in Brampton he has accumulated enough for the two years ahead.

Two weeks ago he got the call he had been waiting for. He will serve in a mission in

PETER GÖTHE

Switzerland known as the French East mission. To prepare for it he will leave at the end of this month for Salt Lake City, Utah, for initial training including how to keep house for himself. And at the conclusion of that will attend Brigham Young University there for two months to learn more French.

He'll serve in Switzerland for 22 months.
