## Stuffing Without Tears

It's hard to picture a traditional Canadian Christmas without a turkey. He's the undisputed king of the festive board, and everyone would be disappointed if he didn't appear. But there's no rule against giving him an unexpected "lift" with an exciting new dressing and serving it with slightly different garnishings.

Here's a stuffing that's made without tears — no peeling or chopping of onions this time! It gets its tangy flavour from a package of dried onion soup mix and sausage meat, and a can of drained chopped oysters may be added if desired. If your family likes "seconds" of dressing (and we predict that they will) we suggest doubling the recipe and baking the second lot separately in a casserole as you cook the turkey.

For a change in pace, surround the bird with potato balls (either Irish or sweet potatoes, mashed and formed into balls) rolled in coconut. Turnip takes well to the same treatment. Orange slices and frosted grapes have both eye and palate appeal. To frost grapes, dip them into slightly beaten egg white, let excess drain off, then dip into your choice of fruit-flavoured gelatin and chill for about three hours. They may be stored in refrigerator overnight or longer.

## Caution Motorists as Auto Thefts Increase

Police departments report a drastic increase in auto thefts for the six months of 1969, primarily by teenagers. Lieutenant James Patterson, head of the Hamilton Police Department's juvenile and domestic section, for example, pointed out that the number of cars stolen by juveniles in the area was up almost 200 per cent over last year.

You can reduce the threat of theft of your vehicle by taking the following precautions:

1. Avoid isolated, unlighted locations when parking.
2. Demand a parking ticket stub at storage lots or garages.
3. Avoid parking on the street whenever possible.
4. Secure vehicle in a locked garage whenever possible.
5. Before leaving parked car, lock ignition, remove key, close all windows, lock all doors, don't leave packages, cameras, etc. in sight inside.
6. Don't leave your vehicle for continuous extended periods.
7. Record and carry on your person license (permit) and serial identification number for ready reference.

## Luminaria City Lights the Way

During the holidays, Albuquerque is called Luminaria City. Millions of paper sacks are lighted by a single candle inside. They are called Luminarias or farolitos after the Spanish who originated the custom. The entire neighborhoods go together to "light the way for the Just Christ Child," as the Spanish tradition has it. The lights give the appearance of golden lanterns when spaced about 3 feet apart on the edges of the sidewalks, flat roofs and beside steps.

Now Mexicans have decorated their homes at Christmas with luminarias for about 300 years. Originally New Mexicans used little bonfires of bright burning pign and pine to light the paths of processions and festivities at Christmas. Small lanterns from Mexico were also used. It is not known who first used the paper sack luminaria, but each year the custom has spread until today they are the traditional "New Mexico Christmas light."

About two inches of sand or dirt is placed in each sack, and the top of the sacks are folded down five times. Inside the sack goes a small vestive candle which burns about two hours.

## Shows, Trousseau for Bride-Elect Barbara Youmans

Congratulations to Mr. and Mrs. Roger Clark, nee Barbara Youmans, who were married in Norval United Church on Saturday afternoon, December 22nd. They will reside in Georgetown.

Friends of Miss Prairie Maguire will be sorry to hear that she is now a bed patient in the hospital at Martin House, Conventual Manor, Milton.

An overall U.W. meeting of Norval United Church was held at the home of Mrs. Walter Ridley, the Manse, on Wednesday evening, December 17th with Mrs. Ed McLean presiding.

The meeting opened with singing, carols followed by a Christmas theme devotional by Mrs. Murray Laird assisted by Mrs. James-Laidlaw Mrs. Paul Johnson and Mrs. Roy Laidlaw.

Mrs. Don Cleave read the minutes and the correspondence followed by the various conveners and treasurer's reports.

It was decided to make a donation toward the improvements to be made in the basement of the church. The allocation for Mission and Services was discussed and it was decided that other needs also need action.

The program was listening to a very humorous record of a

## CHRISTMAS AND BELLS

Many poets and musicians have been inspired to write bells and bells have been associated with religion for centuries.

John Pierpont, a lawyer who was not happy practicing law, became a clergyman and wrote verses to "Jingle Bells" in about 1857. He called it "The One Horse Open Sleigh," and it is sung all over the world at Christmas-time.
