WE would like to express our sincere gratitude to Dr. Robert Cranfield & Tina of Cranfield Chiropractic Clinic in Norval for their kindness in raising money in order to help us defray the cost of blood tests for a bone marrow clinic for my brother Frank. Dr. Cranfield generously donated his time and monies earned on August 22/96 were donated. Tina made flyers and collected money via a raffle and drop box. We would also like to thank our community for their generosity and support. We did not find a match at the last clinic but there are more to come so please come out to one of three clinics we have set up for November.
Sincerely, Emilio & Virginia Ronco
