SOCK-IT-TO-ME'S
 Jan. 17: The ranks of our bowlers begin to look like a hospital casualty ward. Junior Jim Krapak is the latest to show up with stitches. Jim Krapak had the misfortune to fall at school striking a radiator with his head and cutting his tongue which required eight stitches. Never mind, Jim, one consolation is that you don't bowl with your tongue.
 Just when we were congratulating ourselves on regaining top attendance, the flu bug struck again and our Assistant Supervisor, Sylvia Mages is a victim. Bantam Dale Anderson's illness was the cause of his mother, Mary, not being on hand to coach her team. Needless to say both these hard working ladies were missed.

HEADPIN HILITES
 In keeping with their fun and frivolity motto, the Beardmore league will be holding a eucire and dance February 20 at the Legion - Beardmore league president Don Harris informs the date of their famous annual bowling banquet is May 9. A change of locale this year. The ban feast will be held at the Band Hall - This Sunday will see the "House Roll" of the C.O.B.A. "180 and Under" Tournament. Any C.O.B.A. bowlers who missed out on getting their entries in can still do so by notifying us - maybe of interest to know that Lloyd Ormerod of Hamilton won the annula Ontario Masters Five Pin Match Play Tournament at London last Sunday, defeating Wayne Welburn of London in the final match. Ormerod went through the two-day tournament undefeated. In the ladies' division, Mary Keen of Niagara Falls, won the championship with a win over Millie Evans of Toronto. High single for the day was 433 game rolled by Doug Cain of Scarborough - that winds it up for now, my friendlies, so adios, amigos, and goodnite, Concord City.

 With the Junior and Senior Division the Hot Shots were quite raring to go. Unfortunately they were not quite hot enough and had to settle for two games and totals from the Pharoas. Seventies also had to go along with two games and totals, of course, from the Aces. Doodlers, however, didn't doodle quite so much and managed to take all three games from our top team the Sockeys.
 The "Ten Toppers" were Wade Knight 635 (263), Gay Payne 603 (229), Terry St. Pierre 536 (192), Dave Pink 589 (234), Larry DeForest 580 (250), Roger McEachern 524 (200), Bruce Swift 520 (195), Steve Van Fleet 511 (230), Rosalind Hall 495 (197), Glen McKenzie 494 (168).

School dental program Unveil Murphy the Molar

The Hon. Thomas L. Wells, has unveiled Murphy the Molar, a new dental health education symbol which is now being tested in two official health agencies.

Murphy who is a cartoon-style character will be introduced to Grade One pupils in selected parts of the Borough of Etobicoke and of Halton County. He will provide a focal point for dental health educational programs for more than 7,000 children in the pilot areas.
 Murphy will carry the slogan, "I'm No Tooth Goof," to the youngsters who will be asked to practise his five rules of good dental health: brush your teeth regularly, develop good food habits, practise tooth safety, visit your dentist regularly, and have fluoride protection. Children who follow these rules will be given a three-colored button to wear.
 The concept of Murphy was developed jointly by the staff of the Health Education Service and the Public Health Dentistry Service of the Ontario Department of Health in co-operation with Dr. S. M. Green, Director of Dental Health for both the Etobicoke Department of Health and the Halton County Health Unit. It is hoped that Murphy will eventually be adopted by all official agencies in Ontario.
 Murphy will be introduced in three areas of Etobicoke; that north of Highway 401; that between Bloor Street and the 401 and that between the Lakeshore and Bloor Street. Approximately 4,000 of a possible 6,000 Grade One pupils in Etobicoke will meet Murphy. The areas in Halton County that will participate are Milton
