We are into the last week of curling for this season. About 24 teams are signed up for the post season bonspiel. This will end up on Saturday. It is expected there will be a party at the end of curling, but as of Sunday afternoon, plans had not been finalized. So keep in touch with the rink for further developments.

Ab Robinson is busy collecting the stubs for the TV draw. It will be made on Saturday, at the end of curling. Anyone with stubs and money should turn them in to Ab by Wednesday. This will assist in setting up the draw for Saturday. Wonder if my ticket can be the hicky one?

The men's draw concluded last Wednesday night. In the 'A' flight, the team led by Len Lovell was tops with 49 1/2 points. In the 'B' flight two teams were tied for tops, Walter Dubois and Ken Marchment.

The ladies' section concluded their season last Thursday evening. They had a supper and then elected their officers for next season. A full account will appear in another column of the lady officers. May Dumarah is their president.

All those who have had criticisms of the way the club has been managed for the past season should be out Saturday, May 9. That is the day of the annual meeting. Each member should take part in the election of the directors for the coming season. This is the only way you can be assured the club will be in capable hands. A wind-up party will likely be arranged for after the elections. But details have not yet been worked out.

The eight ender pins for the men and women have come through from the curling association. Those earning the pins were: Andy McKenzie, Mary Marks, Dave Dawson and Val Drinkwater. Congratulations!

Expect large turnout Friday Ram-Green Gael boxla tilt

Team officials are expecting a large crowd, Friday night, when the newly formed Acton Rams junior "C" boxla squad host the powerful Oshawa Green Gaels of the O.L.A. junior "A" circuit.

Perennial Minto Cup champions, Gaels are the first Canadian championship lacrosse team to play here.

Although this is a rebuilding year for them, Gaels, sparked by

ace scorer Terry Rowland whipped Peterborough 20-9 in an exhibition game Sunday night. Gaels have been working out for two weeks.

Rams, on the other hand, have had the use of the community centre only a week, although they have been holding conditioning workouts in the Y.M.C.A. building for the last month.

Coach Howard Dwyer hopes to borrow a line and a spare goalie from Bramalea Excelsior junior "B's" to strengthen his squad, which will be built around the nucleus of last year's second place juvenile team.

Seven rookies, four of whom have never played organized lacrosse before, will also be in Rams' lineup.

Friday night's game will serve

as one of the club's main fund-raising projects. Some of the proceeds may also be used to help organize minor lacrosse.

Rams are not in the same class as their more experienced opponents, but Gaels are bound to bring out the best in them.

Players suiting up for the game include: Gary Turkosz, Rod McEachern, Bob Turkosz, Mike Marcoux, Alan McKenzie, Fred Flisnik, Bob Waller, Craig Weldon, Stu McCulloch, Paul Cooper, Bob Roughley, Chris Sargent, Dave Cooksley, Joe Tarr, Mike Cooper, Harry Oehrlrich and George McPhail.

Arena booth nets \$377

The arena booth made a net profit of \$377.04 during the month of March, arena manager Harold Townsley reported at Thursday night's monthly meeting of Acton Board of Parks Management and Recreation Committee. The booth grossed \$ 788.96 and operating costs and wages amounted to a total of \$1411.92.

Mr. Townsley also reported that on account of lack of space in the booth, roller skates have been moved downstairs to another room. A high school boy is to be hired to look after the skates six hours a week at a rate of \$1 per hour.

Mr. Townsley has also ordered 15 new pair of skates.

ACTON JUNIOR RAMS will be sporting sharp new sweaters, when they host Oshawa Green Gaels in an exhibition boxla contest Friday night.
