Majury four time winner at Acton Speedway Sunday

By Vivian Shaw

Well, here we are for another year of racing, fans. Today turned out to be a fine day. There were lots of cars and lots of spectators to watch the line show the boys put on. Our races start at 2:30. The races had just finished and then it started to rain.

In the warm ups Lawrence Majury in No. 5 broke off a front hub. His son went home and got another one but, unfortunately, it was the wrong one. His brother has a car in the six cylinder division, so after each of their races they had to keep changing hubs back and forth in order to have their cars ready.

The eight cylinder feature was run off very nicely today with only a couple of minor spin outs. Joe Woods starting in pole

position grabbed the lead on the first lap and was able to hold it for 12 laps. Ed Stewart in No. 1 started in tenth place and had worked his way up to second. Woods went a little wide and this was just what Stewart was waiting for. Our winner from previous weeks Chuck Lawlor in No. 34 started in 11th place to drive a fine race and had worked his way up to third place. Agan Woods went wide and Lawlor was able to get into second spot. Larry Majury started in 12th spot and worked his way up to fourth place and held it. Ed Stewart of Osprige got his first feature win of the season today with Chuck Lawlor second and Joe Woods third.

The six cylinder boys had some fun on the first lap with their feature with Larry Cowan in No. 17 spinning out with Wrigglesworth, Neil and Majury all running into him, but all were able to continue. Lawrence Majury starting in scratch position took over the lead from Glen Speers on the fifth lap and held it to make this his fourth feature in a row, with George Wrigglesworth second and Larry Cowan third.

RESULTS:
6 Cylinder Division

1st Heat Lawrence Majury, Larry Cowan, Larry Cox.
2nd Heat Lawrence Majury, George Wrigglesworth, Larry Cox.
