Moffat softball

Moffat girls (19 and under) defeated Elora 27-22 for their second win behind the pitching of Sharon McCormick and relievers Patsy Murray and Wendy Kennedy.

Pitcher Susan Thomson and catcher Michelle Sokolowski carried Moffat girls (12 and under) to a 27-0 win over Belwood. Susan fanned 20 batters to earn her first no-hitter. Moffat homers were hit by Tommy Henderson, Margaret Dulzi and Susan Thomson.

Moffat bantams edged Posenby 15-12 in a close game, as Danny Thomson recorded his fourth win.

Moffat squirts dropped a 16-9 decision to Elora, then lost to Posenby 10-4 for their second and third losses.

Wayne Thomson earned his first win, as Moffat atoms

defeated Glen Williams 12-5. Martin Oaso executed Moffat's first double play of the season. Atoms suffered their first loss Sunday, bowing to Rockwood 12-7. Rookie David Brown's triple was the highlight of the last inning Moffat rally.

D. Boles was the winning pitcher for Rockwood.

Jim Coulson came up with top score last week at Maple Rock Shooting Range with 24 out of 25. Other good scores were Gord Clow 22 & 19, John Nurse 21 and 18, Tom Deering 21, Doug Garrett 18 and 12, Gerry Vander Eyken 16 and 14, and Bill Given 17, 10 & 7.

This Sunday members of Maple Rock Shooting Range trap team will journey to Milton for the Kelso Shoot. The same score will also be counted in the first half of the annual shoot between the Acton club and Halton Sportsmen's Association. The second half of this shoot takes place at the local club in the fall.

Lorne Fletcher of R. R. No. 2 Acton, who runs a fishing tackle business at his 4th Line home came back with a good size Sturgeon from the Nottawasaga River a couple of weeks ago. He reports losing many large Sturgeon which would go in the 100 lbs. plus category. He was fishing for pickerel at the time he landed the Sturgeon.

as frequent as they should have been these past issues.

This scribe and brother Ed have been spending our spare time building canoes. As the third one was completed last week we decided to give it a good test and so undertook to travel by canoe from the Second line to the Town Line on the Eramosa River. The going was pretty rough but the trip worthwhile as we found some spots that must hold big trout. However on this trip we didn't have time to do much fishing. It took close to three hours to make the trip. The best spots seem to be near the Town line where there were less log jams in the way, to go over or around.

The high point of the trip was when we neared the Town line and paddled around a bend in the river to come face to face with a fellow angler, fishing from shore. The surprise at seeing a canoe come down the creek must have been too much for him because although we inquired as to his angling success we never did hear him utter a word.

Pete's top Hillsburgh 18-13 Shultis, Phillips homer

Pete's Barber Shop banged out 17 hits off two Hillsburgh hurlers to chalk up an 18-13 win in an Acton industrial softball league game here last night.

The winners tallied half of their runs in the fourth inning to overcome a 6-5 Hillsburgh lead. Jeff Fryer and Fred Buchanan collected three hits apiece for Pete's. Roy Shultis, Harry Phillips and Pete Homer each hit safely twice.

Shultis and Phillips included

home runs in their two hit performances.

D. Cox had four hits in five at bats for Hillsburgh. R. Gregson and J. Tilcox picked up three hits each, while J. McLaren, J. Oxley and G. Cunningham garnered two each.

McLaren and Cox both homered.

Doug Vickery relieved starting pitcher Grant Usher in the eighth for Pete's.

Foster and Miller hurled for Hillsburgh.

Little league games

June 1 - Lions Club 24, Acton Motors 5.

Jim Matthews hit two singles and a triple, D. Webster a single and a triple and Bert Post and G. Binden two singles apiece, as Lions Club scored 10 runs in the first, one in the second and 13 more in the third.

Mark Morrison singled twice for the losers. Bert Post and Gary Pickles combined to strike out six batters for the winners. Losing pitcher Tom Haverly fanned five.

June 5 - Thompson Fuels 6, Lions Club 4.

Ken Swan swatted a triple and a single, J. Gordon a triple, Steve Bennett and Don Dale doubles and A. Edmundson a single in this win for Thompson's.

S. Jackson tripled, Jim Matthews doubled and Marvin McNabb singled for Lions Club. Ken Swan fanned seven batters for Thompson's.

Bert Post and Gary Pickles claimed a combined total of eight strikeouts for the losers.

June 6 - Thompson Fuels 33, Nellis Const. 13.

Steve Bennett belted a double and a single, Ed Ensing doubled and A. Edmundson singled to lead Thompson's to this lopsided win.

Gene Braida and John Pink picked up two hits each and Jim Hurley, Kevin Broostad and John Galt garnered one apiece for the losers.

Winning pitcher was Don Dale, while Jim Hurley was the loser.

Should we make it a park or a parking lot?

In Ontario, we still have a choice. Unplanned expansion in our province could lead to an unpleasant way of life. Our large cities could become plagued with runaway pollution or parking lots instead of parks for our children to play in. And Ontario's less developed areas could develop in all the wrong ways.

Conservation
During 1969, the province invested more than \$7 million in 38 Conservation Authorities to help make sure your children can tell a tree from a telephone pole. As further life insurance, Authorities have acquired and protected almost 82,000 acres of forest and helped plant more than a million young trees.

rural areas can be co-ordinated to encourage more equitable growth and development throughout the province. With these larger pools of talent and money working on our future, we have a better than ever chance to guarantee the best possible environment for all our people.

For Ontario, that kind of future simply isn't good enough. That's why we're already involved in programs of regional government and conservation.

Regional Government
A new system of regional government is being studied and implemented in many parts of Ontario. Under this new system, regions combining urban and

Regional Government and planning can help us build a better future. But to do that, we need a strong economy to support our good intentions. One way to help: when price and quality compare, shop Canadian.

Pioneer Village, near Toronto, is one of more than 150 conservation areas in Ontario. To date, provincial and municipal spending on conservation has totalled almost \$150 million. The result: more than 35,000 acres of unspoiled land safeguarded for our children.

The efficiencies of the new regional school boards will mean the best possible education for your child no matter what size your community is. These are benefits of regional programs already in evidence.

An efficient, affordable and integrated transportation system is just one of the factors to be considered in long range regional planning. Other factors being studied to give everyone a fair share in Ontario's future range from taxes to sewage systems.

Canada's life style of tomorrow presents many challenges. But it's Ontario's style to meet these challenges today.
