BALLINFAD

New siding for oldest house another 7th line accident

By Mrs. R Shortill

Mrs. Lloyd Marshall had a pleasant motor trip recently to eastern Ontario points. With her cousin Eileen, from the west, and her aunt they toured the St. Lawrence region, enjoying the boat trip through the Thousand Islands. From there they motored to Ottawa and Petawawa, returning home via the northern scenic route.

Mr. and Mrs. John Hancock are having their brick bungalow covered with white aluminum siding. This house has an interesting history, being the oldest house in Ballinfad. At one time, when the early store burned it served for a store until the present stone store was erected. It now is the lovely home at the Handcocks.

Mrs. Archie Lawr received the sad news of the death of her sister-in-law, Mrs. Richard Spinks of Portsmouth, England.

Mr. Tom Mack is still receiving treatment at home and at the Guelph Hospital.

Miss Jean Lawr is ill in Humber Memorial Hospital. She has been receiving tests and treatments for her condition. Her mother and father visited her last week and also yesterday.

Mr. and Mrs. John Cole of Guelph called on the Shortills here on Sunday.

Mr. and Mrs. Ted Snider visited their parents on Sunday.

A memorial service was held at Providence Cemetery 9th Line Sunday afternoon, when a recently erected cairn was dedicated.

The U.C.W. meeting was held on Tuesday evening, June 16, at the home of Mrs. Lloyd Marshall. We're sorry to know Mrs. Kelvin Johnston is in Peel Memorial Hospital recovering from recent surgery.

Our sincere feelings of sympathy are extended to Mr. Leslie Swackhamer and his three daughters in the tragic loss of a loving wife and mother.

Mr. and Mrs. Richard Shortill joined the picnic group at their Belwood cottage when Mr. and Mrs. E. Anderson entertained the staff, and their families, of Ospringle School. About 33 enjoyed a pleasant time together on Saturday.

Congratulations are extended to Ross and Doreen McLean on the safe arrival of their baby son, a grandson for Lloyd and Lois McLean and a great grandson for Mr. and Mrs. Donald McLean.

Another accident occurred on the 7th Line, when a car left the road, clipped off a mail box and hit a pole down by C. E. Snows. A bad bump in the road by the bridge seems responsible for these accidents.

Ballinfad Cubs enjoy campout

First Ballinfad Cub Pack spent an enjoyable weekend camping out from late Friday afternoon until Sunday afternoon, at Wolf Park.

Accompanied by their leaders, Art, Ken and Ann Thomson the pack enjoyed swimming and other outdoor activities. Thirteen boys attended.

Claims motorcycles using drag strip

Sixth Line resident Peter Bowman, whose property borders on the Golden Horseshoe Dragway told Esqueping Council Monday night he is concerned about motor cycles he says have been racing up and down the strip lately.

Reeve George Currie told Mr. Bowman the township has not yet issued any race track licenses. Council last week passed a by-law to authorize the licensing of

motor vehicle racing in the township. Mr. Bowman claimed the motor cycles were crossing his property to get to the strip.

To the Ratepayers Supporting The Halton County Board of Education

We have examined the Revenue Fund and Capital (Building) Fund Balance Sheets of The Halton County Board of Education as at December 31, 1969 and the Revenue Fund Statements of Revenue and Expenditure for the year then ended. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we considered necessary in the circumstances.

In our opinion, these financial statements present fairly the financial position of the Board as at December 31, 1969 and the results of its operations for the year then ended, in accordance with accounting principles generally accepted for Ontario school boards.
