

Camporee 1970

SCOUTERS ED RYAN and Mark Hayward of the newly formed 1st Limehouse troop did very well in competitions at the 1970 District Camporee in spite of it being only their second camp. With the scouters are scouts Frank Hale, Bob Weatherall, David Plehl, Rolf Hoyer, Jim Morrison, Weldon Morrison, Joe De Forrest and Geoff Clark.—(Staff Photo)

ACTON SCOUTER Murray Harrison supervises as the camp breaks up Sunday afternoon. The isolated site for the camp, which was nearly a mile from the Blue Springs Line is on property owned by Mansell Nellis.—(Staff Photo)

BEST TROOP at the 1970 Camporee was judged to be the 5th Georgetown who were presented with the winning plaque by camp chief Gordon McCann at the closing flag break of the two day camp.—(Staff Photo)

JUDGING BY expressions the cleaning of pots was one of the more distasteful chores for Acton scouts at the 1970 Camporee held over the weekend. The event started off with copious amounts of rain Friday night but scouts started to dry out Saturday. Sunday was a perfect day.—(Staff Photo)

FINAL FLAG BREAK at the 1970 Scout Camporee on the Blue Springs Line was also the occasion for presentation of awards won by individuals and troops during the two day camp-out. There were over 100 Scouts in attendance. Leaders delighted in the site, about two miles south-west of Acton.—(Staff Photo)

"Serving Acton AND District"

Distribute new \$20 bank notes

The new note presents a contemporary portrait engraving of the Queen and makes use of a greater range of colour on both the front and back than does the present note. The steel engraved portions stand up more prominently to the touch than in the present \$20 note.

The design and production of the new note are based on research in depth over a period of years and incorporates technical refinements from many sources. These refinements were selected with a view to improving the security of the note and creating the maximum difficulty for the would-be counterfeiter.

The new \$20 note will be followed by new notes of other denominations over a period of time. The will have a "family resemblance" to the \$20 note although each will maintain the same denominational colour as the 1954 series.

The portrait of the Queen will appear on the \$1 and \$2 notes as well as on the \$20 note. The \$5 denomination will incorporate an engraving of Sir Wilfrid Laurier and the \$10 will feature a portrait of Sir John A. Macdonald. The \$50 and \$100 denominations will carry portraits of William Lyon Mackenzie King and Sir Robert Borden respectively.

The current \$20 notes will not be withdrawn but will continue to circulate in the normal way until they are judged to be unfit for further use.

No swing

A family had moved from their home, and when they went back for the child's swing set, it had disappeared. The incident was reported to Acton police this week. There was also a report of money stolen from a room at the Dominion Hotel.

No accidents

There were no car accidents reported in town again this week, according to Acton police.
