

# Little league encounters

Ken Swan fanned 13 batters, as Thompson Fuels downed Nellis Construction 10-7 in Acton Minor Baseball Association novice play, last Wednesday night.

Thompson's scored three runs in the first, added two in the second, two in the third and three more in the fourth.

Nellis' counted a single tally in the first, two in the second, one in the third and three in the fifth.

Don Dale belted a single and a double and scored two runs for the winners. Ed Ensing and Pete Brouwer both singled. Ensing also played well defensively behind the plate. Steve Blanchard scored two runs, as well for Thompson's.

**Pink leads way**

John Pink struck out six batters and corked two singles and a triple for Nellis Construction. Jim Rogers hit two doubles, Mark Morrison a single and a double, Tom Haverty a home run and Dave McGilloy a double.

Thompson Fuels: E. Ensing, S. Blanchard, A. Edmundson, S. Oakley, J. Vickery, R. McIntyre, P. Brouwer, D. Dale, G. Bouzfield, B. Sheppard, K. Swan.

Nellis Construction: M. Nicholls, Jim Pink, John Pink, J. Rogers, P. Jenkins, J. Kentner, M. Morrison, T. Haverty, J. Gordon, D. McGilloy.

Monday night, Nellis Construction bounced back to outslug Lions Club 17-13, on the strength of a seven run first inning.

John Fink fanned nine batters and banged out two triples and a home run for Nellis. John Galt hit two singles and a double, Kevin Brostad a double and a triple and Jim Rogers a pair of doubles.

**McKnight homers**

For Lions Club, Bert Post struck out eight batters in a losing cause. Steve McKnight slugged a home run, Marvin McNabb singled twice, Steve Mitchell doubled and Post singled.

Lions Club: M. McNabb, B. Post, J. Matthews, S. Mitchell, S. McKnight, G. Robson, R. Turkosz, C. Creasey, J. Main, R. Jackson, G. DeHaan, T. Feenstra.

Umpires for last Wednesday's game were Harry Ensing and Tom Bouzfield, while Ensing and Mel Sheppard performed the duties in Monday night's contest.

SPECTATORS at the Imperial Hell Drivers wildest show on wheels, held at Acton Speedway Thursday night got their money's worth of thrills, chills and spills. Besides an unusual display of "double parking", (above), the skilled drivers tested their car's ability to maneuver on two, instead of the customary four wheels (right).—(Photos by Jim Jennings)

# Hell Drivers big hit at Acton Speedway

Acton Speedway manager Ron White estimates a crowd of about 1,000 attended Thursday night's exciting show, put on at the Speedway on Highway 25 near Oapringe, by the famous Imperial Hell Drivers.

The travelling group brought their own lights for the show, which got underway at 8 p.m.

Spectators were kept on the edges of their collective seats by many of the daring feats, performed by the experienced stunt drivers.

"Ko Ko" the clown and his Krazy Kar also scored a hit with his numerous antics.

A special feature of this Sunday afternoon's stock car racing cars at the Speedway, will be the appearance of the mini stox.

# Two area students return from Expo

Two Acton area girls, Corie Maxwell and Cathy Hinton returned last Friday from a three week visit to Expo '70 in Japan.

The girls were on a tour sponsored by Ship's School's Association, a non-profit organization that helps students travel abroad for educational purposes.

Corie and Cathy were in a group of 15 students, including several from Milton. There were 251 students on the tour altogether.

Corie found the people of Japan very friendly and was especially proud of the Canadian pavilion at Expo.

# Tri-County playoffs

A: Limehouse at Moffat -- Wed. August 12; Moffat at Limehouse -- Sun. August 16; Limehouse at Moffat -- Wed. August 19 (if necessary)

B: Belwood at Glen Williams -- Tues. August 11; Glen Williams at Belwood -- Fri. August 14; Belwood at Glen Williams -- Tues. Aug. 18 (if necessary).

C: Hillsburg at Rockwood -- Sun. August 9; Rockwood at Hillsburg -- Wed. August 12; Hillsburg at Rockwood Sun. August 16 (if necessary)

Semi-final: Best TWO out of THREE games.

D: Winner of B vs Ponsbury

E: Winner of C vs Winner of A.

NOTE: Semi-finals to start as soon as possible after completion of first round.

# Acton Witnesses at district assembly

There will be no exodus of man from the earth to another planet for survival of these critical times, but a preserving of the human race to endless life on earth in happiness.

"This was the substance of the good news we heard at the 'Men of Goodwill' District Assembly of Jehovah's Witnesses in Toronto," said Mr. Hugh Gourley, presiding minister of the Acton group.

A delegation of 30 from Acton was among the 31,272 persons on hand when Leo K. Greenlee, a director of the Watchtower Bible and Tract Society, sponsors of the convention, spoke on the subject, "Saving the Human Race -- In The Kingdom Way."

After voicing official witness opposition to the "God is Dead" theory, Mr. Greenlee acknowledged that because of "threats to the now-living generation men today have real reason to be disturbed." He claimed the situation was not hopeless, however. In connection with man's search for survival in a generation of multiple crises, he asked: "To whom would it be more reasonable, more sane, more intelligent to look than to the creator of the human race himself?"

Will intervene

Then he explained the witness conviction that the kingdom of God which Christians pray for is a real government with Christ as King and that this Kingdom will intervene in earth's affairs to preserve the human race in its hour of greatest peril.

Delegates were present from eight provinces, 35 American states and the District of Columbia. Session were also held in Italian, Greek, Spanish and Portuguese.

"The multilingual and multiracial aspects of the convention were convincing evidence of the ability of true Christianity to unite people," Mr. Gourley said.

He said the frankness of some program material would have startled the complacency of many orthodox church attenders. "By lectures, skits and full-length plays youth and adults were counselled on the scriptural view of such matters as use of drugs, petting, fornication, masturbation and homosexuality. The basic concepts of a sound marital relationship and a happy family life as well as honest in business dealings and in so-called minor items, all got due attention," he reported.

Top score this week at Maple Rock Shooting Range went to Tom Deering who came up with a 25 straight. Other scores were Jim Coulson 23, Jerry Vander Eycken 22, 19, and 18; Jim Boase 23 and 22, Bill Given 21 and 18, John Cordes 19, Doug Garrett 16 and Steve Webster 6. Steve was using black powder.

Our Ottawa politicians have enacted a new piece of legislation in the fight against crime. It is now illegal to use a hand gun for hunting. Previously a permit to convey a handgun was accepted, when accompanied by the proper hunting licence, as a permit to hunt. The new legislation which was passed under the disguise of crime prevention prohibits hunting with a hand gun.

It is also reported that it is even more difficult now to get a permit to carry a hand gun for target and competition shooting. We fail to see how stopping honest sportsmen from enjoying their hobby will help fight crime. Under the old system it was very hard to get a carrying permit and one of the requirements was that the person be a current member in a recognized and approved pistol club.

Surely anyone with an ounce of common sense would realize that no criminal would use a gun registered in his name let alone go through all the red tape of getting a carrying permit.

Reports are coming in of Salmon catches from Lake Ontario. Two men and a woman

# Will seek advice on light industry

Nassagaweya will seek advice from the Ontario Development Corporation on the advisability of light industry locating in the southern part of the township.

The action came after a closed committee discussed the matter Monday.

The resolution passed following the committee deliberations authorized the clerk to confer with the corporation "regarding their views on the advisability of an application made by a light industry to locate in the southern part of the township. After this conference the council as a whole will visit a similar type of industry and if they are assured beyond any reasonable doubt that there is no possibility of any type of pollution and that the industry would be in the best interest of the township as a whole they will then proceed with the necessary steps to allow such industry."

**Closed session**

Prior to the committee discussion Councillor Alan Ack-

# 4-H club takes tour of Mountsberg

Mary Anderson, Secretary

The fifth meeting of the Conservation club was held Tuesday, August 5, 1970. We began the meeting with Mr. Timmermans of the Halton Region Conservation Authority showing us what a farmer could do to improve the habitat for wildlife. Mountsberg Conservation Area, with its sources of wildlife provided many opportunities for club members to observe animals in their natural habitat.

**Hold meeting**

Following a tour of the area the business meeting was held. Bill Lasby thanked Mr. Timmermans for the tour. The meeting was opened with the 4-H pledge followed by the roll call "One Way to Stop Pollution", and the minutes of the last meeting. General points about Achievement Day and the display for Milton Fair were discussed.
