Storey clan gathers for annual reunion

Descendants of the original Storey Clan gathered at Brookville hall August 22 to renew old acquaintances.

After a program of sports which were enjoyed, everyone went into the hall for a business meeting. Special mention was the fact that Tom Storey of Grandview, Manitoba had passed away at the age of 93; also Doreen McLeod, wife of Arthur McLeod, Brookville had died at the age of 31. Three minutes' silence was observed in their memory.

Mrs. James O'Rourke was chosen program convener for next year.

An antique trunk was brought to the reunion by Max and Mary Storey with papers dating back to 1837 in it. They had been brought from Belfast.

The remainder of the evening was spent in dancing to the McLeod players with Max Storey calling the square dances.

Set softball tournaments

Plans are now being made for a softball tournament, to be held here Friday and Saturday September 11 and 12.

Tournaments are also scheduled for Belwood, this Saturday August 29 and Hillsburg, Labor Day Monday September 7.

Bike smashed Baha'is in run-over

One Acton mother, concerned over the danger to children on highways, phoned the Free Press this week to complain that her child's bicycle, left beside C. K. Browne's store on Main St. N. was run over by a red truck emerging from the school lane, July 14. The driver ignored pleas from the child to stop.

The girl ran after the driver to notify him of the damage he had done, the mother said but the driver looked back but just kept going.

Damage to the bicycle was about \$10 but the mother's main concern was the attitude of the driver.

"We would have appreciated it if he had notified us," she said. "My little girl could have been injured running after him."
