## Minister pursues dream-resigns, starts centre

By Mrs. Ron McLean  
Ebenezer United Church Women opened their September meeting singing hymn 308, followed by prayer by Mrs. Trowsdale, and scripture reading from Romans 12. Rev. and Mrs. Warren were guests for the evening.  
Mrs. Warren sang beautifully. Ask and ye shall receive. Mr. Warren grew up in Dundas and became an engineer. In the Gaspé, his first married home was a tent, followed by a log cabin. When the job petered out, he went to Brantford and decided to go back to school. Although he had always found church life congenial, when he started at Emmanuel College, he had no idea what Christianity was all about. Following ordination, he spent five years in a pastorate, preaching the joy of new life, without having it. He had to become as a little child, change from a head Christian to a heart Christian. He used to have the words, but now he had the music. Their marriage became greatly improved, because Christ was the head.

**Pursues dream**  
The Warrens ministered at Alderwood, Toronto, for seven years. He had a vision of a place in the country, where people could come and rest. They took the name for their retreat from 1 Samuel, Chapter 11, where King Saul gathered the people together against the Ammonites. They

named their place Bezek Centre, where they hoped to provide refreshing, deliverance, renewing and rejoicing.  
In March last year, Mr. Warren felt it right to resign from his church, in order to pursue his dream. Sept. 15, last year, they became owners of 52 acres on the

back end of Wallace King's property, on the 2nd line, between the 10th and 15th side roads. The road was turned May 9, this year. The architect gave the plans. Nassagaweya has lots of rocks and the people have warm hearts. The building is to be 100 ft. by 40 ft. — the upper part of

brick and glass. It is hoped to be able to sleep 40 people.

We have talked too long about the fact that God is love, without helping people to enter in. Our Christian faith should be a real experience.  
Bezek is for people in need and

for people who like to come and share their faith. It is interdenominational. There is a Bezek Foundation, Incorporated, and a Board of Directors of six, also an Advisory Council.

**Anniversary**  
Ebenezer Anniversary this year will be held Sept. 27, 11 a.m. and 7:30 p.m. with Rev. W. Slimm, a former pastor as guest speaker. An innovation this year will be a pot-luck luncheon, following the morning service.

Leonard Ferrier, son of Mr. and Mrs. Joe Ferrier, had the misfortune to break a hip, in an accident involving a power mower. Len will be laid up for some time.

The George Hower family had a most enjoyable camping trip to the west coast this summer. Since their return, Rosa Hower fell off a horse and broke an arm. Sympathy to the family and friends of the late Nelson Anderson, who was a much loved and respected former resident.
