

Lawlor, Majuery cop wins

By Vivian Shaw
Acton, Sept. 20. The late model feature today had its exciting moments. On the third lap Cliff Faryon and Chuck Lawlor spun. The cars went around number 4 turn so fast that Larry Bain ran into the front of Faryon. Ed Stewart then ran into the rear of Bain. Unfortunately, Bain and Faryon were not able to continue but Stewart managed to get his car fixed in time to get back in and take scratch position, although he had been in fourth place.

George Nicholls started in sixth place and jumped into the lead on the second lap. On the seventh lap the red flag was once again thrown, when Ronnie Overland spun between number 1 and 2 turns, and lost his drive shaft. On the flying restart it was Nicholls, Plotto and Wallace. Chuck Lawlor, who started in scratch worked his way up to second spot on the tenth lap. He was pushing hard and finally on the fourteenth lap got past Nicholls. On the eighteenth lap, Nicholls had to pull out, when he developed rear end problems. So Chuck Lawlor came through to take another feature with Murray Wallace second and Larry Majuery third.

On the first lap of the sixth cylinder feature there were four cars in a mix up. Larry Cox and George Wrigglesworth had to retire to the pits with considerable damage. John Falka, after starting in fifth place took over the lead on the fifth lap from Glenn Speers. Falka was able to hold it until the ninth when he lost a wheel. This was the chance Larry Majuery was waiting for. Majuery had been pushing hard. He took over the lead and won another feature, with Jim Ellis second, and Rod Arnold third.

very good job with whichever car he is driving.
