## Thompson Fuels wear minor baseball crown

Thompson Fuels edged Acton Motors 10-9 in the third and deciding game of a best of three series to win the championship of the Acton Minor Baseball Association novice league, recently.

Thompson's won the series opener 9-7, but Acton Motors bounced back to square the set with a 14-3 triumph.

Ed Ensing and Alan Edmundson singled and Don Dale homered for the winners in the first game. John McCutcheon slammed two home runs and a single in a losing cause for Acton Motors.

## Angels bow to Brampton but tie Georgetown 1-1

By Charlie Thomson  
Acton Angels' squirts battled to a 1-1 draw with Georgetown Wolves here Saturday morning, but were edged 1-0 by Brampton all-stars on a rain-soaked pitch, Sunday afternoon.

Ed Blanchard scored the lone Acton goal at the five minute mark of the first half in Saturday's game.

Peter Smeden tied the score for the visitors after five minutes of play in the second half.

Both teams played heads-up soccer.

Star in loss  
Gary Lumbers, Gordon

McArthur, Stove and Dave Mitchell and goalie Gareth Turner all played fine games in spite of Angels' narrow 1-0 defeat Sunday.

After a scoreless first half Doug Montgomery was credited with the Brampton goal on a shot that deflected into the corner of the net off the leg of one of Angel defenders at the 15 minute mark of the second half.

Although the weather was damp, several fans journeyed from Brampton to support their boys.

Angels play their final game in Brampton, this Sunday.

# Minor hockey introduces new head coach system

A new system of coaching will be tried for the first time this year by both the Acton Tri-County and Acton Legion Minor Hockey Associations.

Under the new system, Jim James has been named head coach for all teams under the jurisdiction of both organizations. He will instruct coaches of both organizations, emphasizing a uniform style of play for all teams. Coaches will be asked to attend one meeting a month to discuss problems with the head coach.

**Beneficial results**  
Mr. James hopes introduction of the head coaching system will have three beneficial results. It will ensure a progressive learning program for boys from year to year. The uniform style of play adopted will enable boys to move from one age bracket to another more easily. Boys will be learning from coaches who are constantly receiving instructions themselves. Head coach James has scheduled an inaugural meeting for the community centre tonight (Wednesday).

Name coaches, managers  
Coaches and manager for the
